

On This Side Of The Sun

By Phat

Does your drinking water taste differently lately?

THE VILLAGE—The town is so full of motion picture stars, producers, radio big shots, authors and other celebs that everybody turns and stares when an ordinary citizen walks down the Drive. . . . Turhin Bey, Lana Turner, Charles Chaplin et ux, Jack Benny, Mary Livingston, Lew Pollack, Charley Barnett, Dave Rose, Clark Gable—oh, what's the use of printing the Hollywood directory. . . . Anyway, the town is crammed with Big Names. . . . And from the looks of the sidewalks and lack of parking space, with a lot of little ones, too.

ODDS AND ENDS—The cigarette shortage is either more acute or the ladies have taken over another item once thought the exclusive property of the sterner (well, maybe) sex. At the Dunes the other night, a woman, finishing her desert, calmly rifled the contents of a large hand bag, fished out a sack of Bull Durham, and a package of papers and deftly rolled a cigarette. It was a lot better than I can do even after years of practice. . . . After watching the event, Hans Hansen went out and bought a package of pipe cleaners for his fair customers, just in case.

MUSIC—The Village seems to be full of hit tune prognosticators. Five weeks ago Ted Reed of Reed's Radio shop gave me a record of Diana Shore's "Candy" with the remark that the song would be Number 1 soon. It was, last Saturday night. . . . Rainbow Room. Bob Hull, who successfully picked "The Trolley Song" and "I'm Beginning to See the Light" has two more nominations for No. 1—"All of My Life" an Irving Berlin number, and "I Should Care." . . . By the way, what's happened to "The Trolley Song" also "Accentuate the Positive"? They were so hot a short time ago. . . . You still hear "Don't Fence Me In"—especially if you live near me.

THIS AND THAT—San Francisco judge this week said crooners were the cause of many divorces. He didn't mean that mamma got dissatisfied with papa after hearing Frank Sinatra. His theory was that crooners made marriage just a question of the right people meeting and, bingo—they wed. So boy meets girl, they get married—and fire out it isn't a song after all. Hence the rush to Reno. . . . Among the celebrities who apparently were not here this week were Orchestra Conductor Leopold Stokowski and his bride, Heiress Gloria Vanderbilt—although photographers and reporters put in a lot of time looking for them.

OBJECT OF ENVY—All of the girls in town now want to be secretary of the Chamber of Commerce. Ruth Jones, who now holds that job, was guest of Clark Gable at a dinner party at the Latin Quarter which included Al Menasco and Juliette Valentin. Gable and Menasco who have been friends for years, are both Majors. Miss Valentin, former associate of Menasco in the automobile business, now lives here. The visitors stayed at the El Encanto. They left yesterday for Hollywood but plan to come back again soon. They like Palm Springs.

A FEW SPOTS—Diners in the Dunes patio had an interesting evening watching vivacious Constance Moore, house guest of Commander and Mrs. Reg Venable (Fay Bainter) story-telling with gestures. . . . The Pago Pago (nee Wiakiki) plans to have rain on the roof but yesterday they had Manager Bill Thompson there. He was taking down that bamboo marquee that marked the Waikiki. Joe Felix came along and was watching the operations when Rube Miller called across the street: "Take it out to the reservation, Joe, and build a house under it." . . . I like the way Irene Taylor at the Rendezvous gives out with "My Heart Sings".

THE MAIL—Seems to me that drivers on the city bus line are either always sick or have just quit," complains one Village woman. . . . "Why not let Judge Pinney talk to a few of these nuts who try to beat the fire truck to fires?" queries another. "Last Saturday I bet there were 50 autos ahead of the truck trying to get to that blaze on the reservation." The Sun office and yank that "T" key right off your typewriter," came another delightful little note. . . .

AND FINALLY—I forgot that The Sun is set "solid" this week and that there are nine lines to the inch instead of eight. So I got caught short and can't quite make the bottom of the column. . . . Join the paper salvage drive!

Sorry—

In line with recent WPB rulings, The Desert Sun this week discontinued copies to all subscribers in arrears six months or more.

Because of the current paper shortage, restrictions have been tightened up all along the line. The Sun reluctantly also discontinues this week its free copies to military installations here.

Old West to Usher in New Season

Los Compadres Club Starts Plans for Second Annual Event

Palm Springs will go western again next October to usher in the new season just as a highly successful western week ushered in this season.

This was decided Tuesday night when members of Los Compadres club which sponsored the typically Palm Springs event last October, met and mapped plans for the second annual western week.

DATES ARE SET

Dates for next fall's events were fixed as from October 15 to 21 with a big parade and local talent gymkhana on the latter date to wind up the week. Committeemen were named by Elmo Purnell, president of the club, and plans set in motion at once to make it an even bigger and better affair.

President Purnell will be in general charge. Phil Delano will look after parade details, Joe Allard will handle the Kangaroo Court and promises to have a dishonest judge on hand, Hutch Moseley will take care of the dances and entertainment, Joe Butler will manage the gymkhana and all of its details and Wall Spalding will take care of advertising, publicity and the business end of the event.

PLAN FULL WEEK

As last year, Villagers will be asked to don western attire for the week. There will be several western dances, nightly Kangaroo Courts and other entertainment during the week.

The climax will come Sunday, October 21, when a western parade in the morning will be followed by a gymkhana of proportions approaching a rodeo, at the Field Club.

INVITE OUTSIDE CLUBS

Outside riding clubs will be invited to take part in the parade and gymkhana and invitations will be sent Riverside, San Bernardino, Banning, Indio and other organizations to take part.

The Los Compadres club is starting its plans early to assure another complete success for western week which they inaugurated last fall.

Membership of Chamber Grows At Speedy Rate

Latest report on the Better Palm Springs campaign, released Monday, indicated that \$11,727.90 of the \$25,000 goal had been subscribed.

Best feature of the drive, which will go forward to a successful conclusion, according to General Chairman Carl G. Lykken, is many new members who have joined the Chamber during the progress of the drive.

So far, 68 new names have been added to the Chamber lists and of this number, 22 are individual home-owners.

Plans for the betterment of Palm Springs and progress of the drive will be outlined at a meeting of directors and members, May 10.

Rock Throwing Youths Nabbed

Three juveniles, all apparently irked with school work, went on a rock-throwing rampage last week-end with the Nellie N. Coffman school as their target.

Miss Katherine Finchey, Desert District superintendent, told police Monday that 15 windows had been broken.

Sgt. Orest Johnson rounded up a likely group of suspects and soon weeded out the guilty trio. They were turned over to juvenile court at Riverside for action in the case.

Mrs. Arch Wilson and son Ernest and his wife and baby, who have been in Palm Springs since February, have returned to their home in Youngstown, Ohio. The Wilsons have been winter residents of the Village for the past 12 years and are planning to return next fall.

Don Cameron Seriously Hurt In Auto Wreck

Don Cameron, well known resident of Cathedral City, was reported recovering today at Coachella Valley hospital from injuries received at 8:30 Wednesday morning when the car he was driving overturned about three-tenths of a mile this side of Cathedral City. Cameron was alone in the car at the time.

California Highway Patrolman Joe Teddering, who investigated, said evidence pointed to a rear tire blow-out as the cause of the accident.

Death Takes Well Known Local Woman

Mrs. Edna Gray, wife of Earl Gray, proprietor of the Royal Palms hotel, succumbed at the California hospital in Los Angeles Sunday at 2:30 p.m., after an illness of 14 weeks. She had been reported on the road to recovery the week before and plans had been made to bring her home last Friday when her illness took a sudden serious turn and she died three days later.

Mrs. Gray had been a resident of the Village for the past twelve years but previous to that, had frequently been a visitor here with her husband, Mr. Gray's parents, Mr. and Mrs. James Gray were pioneers of the Village and among the first to make their homes here.

Besides her husband, she is survived by a son, Roland, a daughter, Marilyn, two sisters, Mrs. Dorothy Dennis of Hollywood, Mrs. Evy Snickles of Palm Springs and her mother, Mrs. Nina Williams of Hollywood.

Funeral services were said Wednesday afternoon at the Little Church of the Flowers, Forest Lawn, Glendale. Many from Palm Springs attended the last rites which were said amidst a great profusion of flowers.

50 Acres Swept In Canyon Blaze

First brush fire of the season in Riverside county blackened 50 acres of dense brush land in Chino canyon and caused damage to the Palm Springs watershed.

The blaze started Monday afternoon and was finally conquered late Wednesday by crews operating under J. W. Tomblin of the state forestry headquarters at Perris before it got into heavy timber.

Five state trucks and 50 men fought the blaze, hampered by the steepness of the terrain.

Records Broken At Child Clinic

That's a lot of youngsters! In fact, the health center was filled to overflowing with infants last week at the monthly child welfare clinic.

In all, Mrs. Holderman, public health nurse, reported, 86 babies underwent examination by Dr. Mildred Van Cleave, county pediatrician.

The number broke all existing records at the Health Center.

Fashion Show Combined With Portrait Contest

It was decided this week that a spring fashion show will be combined with the award of prizes in the Portrait of the Year contest, May 12, when three motion picture firms and a national magazine will turn their attention to Palm Springs with resplendent nationwide publicity for the Village. Leading stores have promised co-operation.

Bernard of Hollywood, who has been working with Earl Strebe of the Plaza and Palm Springs theaters and The Desert Sun in promoting the event and in interesting the motion picture concerns in the event, this week spent several hours in Hollywood and came back with the assurance that the film firms were much interested. Larry Barbier of MGM's publicity department is helping with the plans and Solly Bianano, Warner Brothers talent scout will cut short a trip

to Mexico to be here for the event. Diana Lewis, MGM star and Allan Curtis, Universal star, will be two of the judges in the Portrait contest and Mrs. Howard Hawks, wife of the noted producer and herself a famous model, will be one of the fashion show judges.

Only thing which may be missing are the newsreel cameras. Practically all of them are in San Francisco for the United Nations conference.

Richardson Wounded in Pacific Fight

Former Principal Of High School Shrapnel Victim

Lt. Morris D. Richardson, former principal of Palm Springs high school, was seriously wounded in action against the Japanese in the Pacific war area, according to information received this week by Maurice McCann.

Details of the casualty were meager. Lt. Richardson wrote McCann that:

"I am flat on my back on this ship (an invasion troop carrier) and will carry around nine Japanese shrapnel fragments as a souvenir of this trip."

"I wanted to see the war—I did. We got a very warm reception here."

The letter, which Lt. Richardson said he was dictating, was mailed April 15 and received here April 23.

Lt. Richardson resigned his position as high school principal and enlisted in the navy in the fall of 1942. He first went to the east coast for training and then was stationed at Corpus Christi, Texas, until early this year when he was assigned to the troop carrier.

Mrs. Richardson is now living in Whittier.

C. of C. Board Views Torney as Good Neighbor

On suggestion of Earl Coffman, directors of the Palm Springs Chamber of Commerce Monday voted to send a floral gift to Torney General Hospital on the occasion of its third anniversary today.

The flowers are a token of appreciation for the co-operation and "good neighbor" policy always displayed by Col. A. B. Jones, commanding officer at Torney, and his staff toward the Village and represent the feeling of the board, members of the chamber and Palm Springs in general.

Tickets for Barbecue Going Fast

Tickets for the Moonlight Barbecue to be held next Tuesday evening on the Mashie Course on the Desert Inn grounds were reported selling rapidly this week, committeemen reported, and interest in the Chamber of Commerce Get-Acquainted event was high.

Attendance has been limited to the first 300 who apply.

There will be a portable dance floor, excellent music and entertainment, good food and lots of it and a full moon to light up the affair.

The party starts at 7 o'clock and is to be devoted solely to bringing Chamber of Commerce members together for an evening of fun. All business is barred for the night.

He has been a member of the Riverside Rotary Club since 1938 and a director of that group since 1942 and secretary for the past two years, a position which he resigned recently. He is secretary of the Present Day Club, a civic forum of 700 men; member of the county planning commission, member of the executive committee of American Legion Post 79, and editor of their bulletin, Scoutmaster of Troop 11, Calvary church, and a member of the Riverside Elks Lodge.

He is married and has two children, David, 12, and Carolyn, 10.

Thieves Raid Home, Steal Hose, Liquor

Mrs. L. B. Morrison, 784 Patencia road, reported to police this week that sometime over the week-end, thieves entered the play room at her residence and made off with a 50-foot hose used to clean the swimming pool and also a quantity of liquor.

She said that similar entry had been made during Easter week.

Name Harry C. Harper Secretary for Village Chamber of Commerce

Riverside County Secretary to Start Duties Here Sept. 1

Harry C. Harper, secretary of the Riverside county Chamber of Commerce was appointed executive secretary of the Palm Springs Chamber of Commerce by directors of the local chamber in session Monday noon at the Desert Inn. Appointment came upon motion of Francis F. Crocker following a recommendation by Earl Coffman, chairman of the committee appointed April 9 to study employment of a manager for the chamber. Serving with Mr. Coffman on this committee were Phil Delano, Fred Ingram, James Shea, Cecil Isenagie, Herbert Samson and J. E. Ballard.

Mr. Harper will start his duties here Sept. 1 at a salary of \$500 per month.

ALL AROUND ABILITY

Mr. Coffman reported that the executive committee had met three times to consider the subject of a manager for the chamber and that the nominating committee, listed above, had considered three applicants for the position after receiving the resignation of Walter Kofeldt, executive secretary for the past 15 months.

Mr. Harper was chosen, he reported, because of his diversified background in newspaper work, chamber of commerce work and the good will he enjoys of his Riverside associates. As county chamber secretary, he worked with some of the leading chamber of commerce workers in the west.

TO BE HERE TUESDAY

Mr. Harper is at present out of his Riverside office on business and will not return until Friday so could not be reached for an interview. It is understood, however, by his associates at the county seat, that he plans to be in the Village for the Moonlight Barbecue event here next Tuesday.

On motion of Florian Boyd, the directors voted to show their appreciation for the great work done for the Palm Springs Chamber of Commerce by Walter Kofeldt during his term of office by the purchase of a suitable gift. The motion was carried unanimously.

Miss Ruth Jones, acting secretary, will remain in that capacity until Sept. 1.

IN COUNTY 23 YEARS

Mr. Harper has been a resident of Riverside county since 1922, and was with the Riverside Press from 1925 to 1937 when he purchased the Riverside News. He entered the army as a Volunteer Officer Candidate in 1942 and was honorably discharged on April 9, 1943.

He was appointed secretary-manager of the Riverside county chamber of commerce on June 1, 1943, and in connection with this work has also held the position of coordinator of the Farm Production committee of the county, secretary-treasurer of the county Growers Association and secretary-manager of the Riverside County Fair and Date Festival at Indio.

HOLDS MANY OFFICES

He has been a member of the Riverside Rotary Club since 1938 and a director of that group since 1942 and secretary for the past two years, a position which he resigned recently. He is secretary of the Present Day Club, a civic forum of 700 men; member of the county planning commission, member of the executive committee of American Legion Post 79, and editor of their bulletin, Scoutmaster of Troop 11, Calvary church, and a member of the Riverside Elks Lodge.

He is married and has two children, David, 12, and Carolyn, 10.

Thieves Raid Home, Steal Hose, Liquor

Mrs. L. B. Morrison, 784 Patencia road, reported to police this week that sometime over the week-end, thieves entered the play room at her residence and made off with a 50-foot hose used to clean the swimming pool and also a quantity of liquor.

She said that similar entry had been made during Easter week.

Inadequate Water Line Causes Loss

Fires at Same Time \$10,000 Damage in Two

Five houses on the reservation were totally destroyed, two of them with all of their contents, and a sixth was damaged in two fires Saturday afternoon. Lack of adequate facilities for obtaining water was blamed by Fire Chief Bill Leonosio for the heavy loss.

Chief Leonosio, some time ago forecast such a loss unless, he said, the city received more co-operation from residents on the reservation in providing adequate fire fighting facilities and adhered more closely to building and wiring regulations.

FIRST AT 2:15 P. M.

The first alarm came in at 2:15 p. m., Saturday from the Lee Arenas ranch where the house owned by Mrs. Esther Goldberg and occupied by Mrs. Nellie Darwin and her three children was reported on fire.

Assistant Fire Chief Warren Heath and his crew had to string 1,000 feet of hose to get water on the building, a small frame structure which was destroyed. The building and furniture were insured but Mrs. Darwin's personal possessions were a total loss. She is employed at the army air base here and her husband is overseas with the armed forces.

No one had been in the house for an hour, the mother and her children being uptown.

ANOTHER AT 2:35

While firemen were fighting this blaze, another alarm came in from the reservation at 2:35 p. m. The house occupied by John Laster was found enveloped in flames when Chief Leonosio and volunteers arrived with the second truck. An automobile parked by the house was also ablaze. Nearest source of water was 1,800 feet away.

Chief Leonosio with only the water carried on the truck and a high wind blowing, sized up the situation at once and called for help from the other truck.

MOVE FURNITURE

Hose used on the first fire was hastily placed back on this truck and a run made to the second blaze.

Residents of other houses near the Laster house began moving furniture and possessions as the shifting wind whipped the flames in all directions. From Laster's house the blaze was carried south to the dwelling occupied by John Nichols. Then the wind changed again and the flames spread northward to engulf the house occupied by Dorothy Tyiska. It then spread to the W. R. Wise place north of the latter.

SIXTH HOUSE DAMAGED

Flames from the burning Nichols house started a fire at the residence of Joe Prieto to the south but this fire was subdued before serious damage was done.

The Darwin and Laster families lost all of their possessions but the others saved theirs. Total loss in the fires was estimated at \$10,000.

City Manager Ray Sorum was (Please Turn to Page 12)

SECRETARY—Harry C. Harper, now county Chamber of Commerce secretary, who will start duties as Palm Springs Chamber of Commerce secretary, Sept. 1.

Federal Judge Gives Indians Right to Land

Victory for the Palm Springs Indians in their battle to acquire title to lands allotted them on the reservation here was believed assured today after a quarter of a century of legal warfare as result of a decision handed down in Federal Judge J. F. T. O'Connor's court yesterday.

Judge O'Connor held that Lee Arenas, Indian land holder, was entitled to outright ownership of lands originally allotted to him, his deceased wife, and his deceased brothers.

CLAIM TRIBAL LANDS

The government had contended that the lands belonged to the entire tribe and that all revenue derived therefrom go into the tribal fund. Rentals over a period of years were estimated by the government at several hundred thousand dollars.

The court disputes over title to the valuable lands have extended over a period of 25 years.

25 OTHER SUITS

The fight in behalf of the Indians was carried to the United States Supreme Court by Attorney John W. Preston. Recently the Supreme Court ruled that Arenas had a right to sue the Government for his land patent, and laid down general principles by which the Indian could acquire title.

The fact-finding decision of Judge O'Connor holding that Arenas could get legal title will probably result in similar findings in the cases of 25 other Indians who have protested Interior Department rejections of their claims for technical reasons, Preston said.

Rate Village Safest City in California

Because Palm Springs is such a safe city, it is \$831.62 richer today.

In a letter from the state compensation commission the Village was praised for its fine safety record and enclosed was a check for \$831.62 as a dividend of 46 per cent on premiums paid in.

Mr. Sorum told council that an engineer from the commission recently told him that Palm Springs probably held the best safety record of any city in the state.

But that isn't all. Another for slightly in excess of \$120 was enclosed, a refund on overpayments of premiums in previous years.

"That's a total of about \$953 coming back. Not bad" was the city manager's comment.

It seems to me

THERE is one item
THAT shouldn't have to wait
UNTIL the war's end
TO get some attention—
WHY should big trailer trucks
BE allowed to highball
DOWN Palm Canyon Drive,
PASSING other cars,
RACING motors, and
ADHERING to no rules
BUT their own?
A good many—
MUCH too many
OF these trucks
ARE Through Trucks
AND there is no need
OF them passing through
PALM SPRINGS at all.
NOT a soul will deny
THAT racing a motor
ON a down hill pull
IS anything but
DELIBERATE.
THE railroads have been kept
FAR enough away to insure
PEACE and quiet,
SO why should a freighter
USE Palm Canyon Drive
FOR a race track.
MAYBE the residents
CAN take the noise,
BUT how about the
ARMY HOSPITAL
WITH its hundreds of
RECUPERATING veterans?

FULTON'S
STYLES FOR MEN
OASIS HOTEL

Society

Name Mrs. Fulton Head of Officers' Wives at Air Base

The Officers' Wives Club of the 21st Ferrying Group, Ferrying Division of ATC, held election of officers at its last meeting and named Mrs. Herbert Fulton as president to succeed Mrs. Charles I. Emerson at the head of the organization for the coming six months.

The Wives Club has as its main project the handling of Red Cross work. The women are now engaged in making bandages to be used at Torney General Hospital. Meetings are held each Tuesday morning at 10 o'clock. An appeal has been made by Mrs. William E. Hinton, press representative, for more wives of officers to take part in the Red Cross project.

Other women elected to serve with Mrs. Fulton are: Mrs. Dell Riebe who succeeds Mrs. Reginald Hamilton as vice-president; Mrs. Harold Gragg follows Mrs. Herbert Fulton as secretary, and Mrs. Paul Bigg as re-elected treasurer. A much-deserved vote of thanks was given Mrs. Emerson for her untiring and persevering work during her six-months' term of office.

Brownies Enjoy Swimming Party

Seventeen members of the Palm Springs Brownie troop, Girl Scouts, enjoyed a delightful day Tuesday with a swimming party at the Desert Inn and a picnic supper at the Little Scout House winding up the successful affair.

After an hour's sport in the pool, the Brownies hiked to the Scout House for a wienie bake. In charge were the Mmes. D. H. Poliak, Donald French, and Elmer Markam.

Spring Days Find Many Visitors in Village Acquiring That Bronze Look Enjoying Outdoor Life Under Hot Sun

The good hot desert heat is being especially enjoyed by guests at Desert Inn, who are spending all their days absorbing a golden bronze tan. Not only are the daytime hours a choice time, but the balmy evenings with the brightness of the coming full moon are just as lovely for those who like outdoor dining and dancing.

First outside dance of the spring months was held Friday evening for students of Coachella Valley high school, who met for their Junior-Senior prom. The tennis court was illuminated by the soft glow from Chinese lanterns and the pretty young feminine guests completed the picture in their bright colored long dresses as they were twirled around the dance floor by their handsome escorts. A group of 160 met for their annual last of the year party held each term at Desert Inn.

FAREWELL PARTY

It was a farewell party Mrs. Walter Marmon gave in the Spanish room of Desert Inn the evening of April 17. The hostess departed the next day for her home in Indianapolis following her annual winter stay at the Inn. This season she has been in the Village more than five months.

Seated at the opposite end of the long table was Mrs. Marmon's daughter, Mrs. Philip Boyd. Others present were Mrs. M. I. Selinger, a former Palm Springs resident who was here visiting the Frank Cutlers; Mrs. Humphrey Birge, Mrs. Harold Hicks, Mrs. Frederick Watson, Mrs. Culver Nichols and Mrs. Frank Cutler.

Col. and Mrs. W. W. Hicks are up from Fort MacArthur in San Pedro for a short desert holiday.

TO WIND UP SEASON

Mr. and Mrs. James D. Porter arrived from Milwaukee for several weeks of warm weather. They will stay through May 11. J. F. Sartori, well known Los Angeles financier and clubman, checked into Desert Inn to remain through until the Inn closes for this season in mid-May. Accompanying him are Mr. and Mrs. Alvin C. Rishel, who are spending their daylight hours doing oil painting of the beautifully colored desert. This threesome spent a month at the Inn before Christmas.

As the thermometer soars, a large contingent of San Franciscans have packed their bags for a final fling of desert vacation before the season ends. Acquiring beautiful coats of bronze sun-tan here this week are Dr. and Mrs. Louis S. Constine, Mr. and Mrs. Jack Clumbeck, Mr. and Mrs. Jessie Smith, all of the bay city.

FROM LOS ANGELES

Among those down from the City of Angels are Dr. and Mrs. Will C. Duncan, Mr. and Mrs. Van F. Joy, Mr. and Mrs. Fred H. Dennison, Mr. and Mrs. Louis Sensenbrenner, Mr. and Mrs. H. W. Pearson, Mr. and Mrs. C. R. Westbrook, San Marino; Mr. and Mrs. Jim Barron, Mrs. Arthur Granas and her daughter, Marilyn; Mr. and Mrs. Walter James, Beverly Hills.

Homer Welborne (of United Press) and Mrs. Welborne are having a week's stay until this Thursday.

John Claire Monteith presented an illustrated lecture with colored motion pictures entitled "Summer and Winter in the High Sierras" in the lobby, Wednesday evening for guests of the Inn.

Air Base Romance Culminated in Marriage Service

Military personnel of the 21st Ferrying Group, Palm Springs Army Air Base, watched as admiring spectators Sunday at the marriage in the post chapel of Christine Yeager, first lieutenant of the Women's Army Corps, and Captain Joseph H. Wooddell. It was the first wedding performed in the new chapel, and the commanding officer of the base, Lt. Col. Robert J. Goewey, gave the bride in marriage.

A popular couple on the Ferrying Division field, the romance and marriage of Capt. and Mrs. Wooddell created much interest among military personnel. The captain had recently returned after more than two years duty overseas. He became acquainted with the pretty brunette WAC officer after being assigned to the 21st Group here.

RECEPTION HELD

Officers of the base formed a guard of honor for the couple at the chapel. A reception was held following the ceremony at the Officers' club.

Captain Jay Lockerby, a close friend of Capt. Wooddell, was best man and WAC 1st Lt. Ettaebel Stein, who is also stationed at the base, was maid of honor. The WAC officers wore their smart dress uniforms.

Mrs. Violet Phelps Fowler of Palm Springs sang the popular "O Promise Me." She was accompanied by Lt. John Schlarr, who also played the wedding march. Chaplains T. C. Northup and Clifford F. Perron performed the ceremony. The chapel and Officers club were decorated with flowers, adding much color to the event.

Mrs. Carrie Yeager, mother of the bride, whose home is in Oneida, N. Y., was present for the ceremony. The bride wore a corsage of white gardenias and orange blossoms and her mother's corsage was of white carnations. Lt. Stein wore pink carnations.

WILL LIVE HERE

Lt. Yeager's home was at Oneida. She entered the Service as a WAC in February, 1943, and was commissioned an officer a few months later. She attended Oswego State Teachers College in New York. Mrs. Wooddell also has a brother and a sister in Service. Her duty assignment at the 21st Group is shipping and receiving officer.

Captain Wooddell, who is intelligence officer of the air base, served on Ascension Island and at ATC bases in Brazil, returning to the United States in February of this year. His home is at Oakland, Md., and he studied at Maryland State Teachers College before the war. The captain entered the service in October, 1940, and was commissioned an officer in July, 1942. He has a brother also serving with the AAF.

The couple will continue with duty assignments at the air field and will make a home here in Palm Springs.

Merry Bazaar Nets Hospital Additional Cash

A tidy sum, in excess of \$850, was turned over to the Palm Springs Community Hospital fund as result of a merry bazaar at the Smoke Tree ranch this week. Mrs. Channing Wells and Mrs. Frederick Johnson were in charge of the unique event.

One of the biggest features was the Fish Pond where surprise packages were pulled out by surprised guests. Mrs. Arthur E. Bailey, Miss Janet Johnson and Mrs. Overly were in charge here. There was also a palmist, pony rides for the youngsters and much merriment.

Felix and Leo of the Doll House put on the excellent entertainment.

DESERT HOT SPRINGS

Mrs. Margaret Boone Stevenson, 91, a granddaughter of Daniel Boone, was a noted visitor at Desert Hot Springs this week.

Forty houses and a drug store and a grocery are being built here, many of them from locally-produced adobe blocks.

Mrs. Heber Moshier, Red Cross chairman, escorted a group of blood donors to Riverside April 16.

Lt. Donn Brown And Bride Spend Honeymoon Here

Lt. and Mrs. Donn B. Brown (Joy Fleishman) arrived at Desert Inn late Saturday evening following their formal wedding in Los Angeles that afternoon. The couple occupied the honeymoon cottage on the hill during their stay.

Mrs. Brown is the daughter of Mr. and Mrs. Charles R. Fleishman, of North Hollywood, and now is attending U.S.C. She was graduated from Immaculate Heart Convent and attended Bennett Junior college, New York, last year.

Lt. Brown, a junior grade Naval officer, is the son of Mr.

Rodeo Enriches Village Coffers

That recent rodeo was good business for the city.

City Manager Ray Sorum told council Wednesday that the city received \$660.89 as its share of the event.

Total ticket sale for the event amounted to \$7,930.74 and after deduction of federal taxes, there remained \$6,608.95 of which the city received ten per cent under arrangements with the sponsors.

and Mrs. Clifford C. Brown, Dayton, O. He is a graduate of University of Colorado, and took his naval training at Caltech. At present he is stationed in Oceanside at the Amphibious Training base.

Los Compadres Club Takes Last Ride of Season

Plans for the annual pack trip of Los Compadres club were discussed at a special meeting of the club called by President Elmo Purnell at the Fiesta room of the Desert Inn, Tuesday night. The trip this year will start May 6 and end May 9. Indications at the meeting were that the ride would be well attended this year.

Last night members of the club enjoyed a moonlight ride out to Eagle Canyon, near Cathedral City. An excellent camp dinner was enjoyed. It was the last regular ride for the club this season.

LYKKEN'S THE COMPLETE DEPARTMENT STORE

End Your HARD WATER Washing Problems! Sensational SOAPLESS SUDS ARE HERE!

Makes hard water soft as rain water —without a water softener!

Gives 7 times more suds than purest soap flakes— in 3 seconds

REMOVES GREASE QUICKLY even in hardest, coldest water. Makes dishes and glassware sparkle—without wiping. Leaves no greasy dishpan scum. Won't redden hands.

BETTER—FASTER—SAFER than Soap!

SAFEGUARDS WOOLENS. Will not cause shrinking or matting of baby things. Rinses completely clean and clear. Preserves the soft, fluffy nap of precious cashmeres.

PROTECTS FABRICS. Will not cause fading or streaking of silks, nylons, rayons. Will not cause rubberized garments to become brittle. Lengthens wear of hosiery.

KIND TO SKIN. Mountain of rich suds for bubble baths. NO acid or alkali to irritate skin. Leaves no soapy, sticky, greasy bathtub ring.

ECONOMICAL! CONCENTRATED! 1 teaspoonful to a gallon of water gives 7 times more suds than purest soap flakes. Needs no water softener!

12-oz. size (enough for 108 washings) 59¢
24-oz. size (enough for 216 washings) 98¢

Say goodbye to hard water washing problems.

Valuable Ideas Received in Air Base Program

Civilians employed at the 21st Ferrying Group of the Ferrying Division here in Palm Springs are building interest in the ATC's program to develop ideas under the Army Air Forces suggestion program that brings forward "Ideas for Victory." Military personnel can also participate in this program.

Suggestions which may bring about more efficient operations in any department on the field are being received. Cash awards are paid those persons whose ideas are considered worthy of putting into effect. Diagrams of inventions and mechanical devices are submitted to the committee in charge together with an explanation of the plan suggested. Officers have been selected by Lt. Col. Robert J. Goewey, commanding officer, to consider all suggestions. Military personnel can win promotions or decorations for outstanding ideas.

Almost Four Million In Taxes Paid in

Tax payments Tuesday amounted to \$3,771,796.74, against a total charge of \$4,155,791.76, Miss V. M. Hyde, county tax collector, reported.

County tax payments were

Big, New Guest Ranch Planned for Outskirts of Palm Springs When War Ends; Bay City Man Buys Cree Ranch

That Lt. Frank Bogart, former secretary of the Chamber of Commerce, will return to Palm Springs looked as a certainty today with the announcement of the sale of 640 acres, known as the Raymond Cree ranch, to J. R. Edy, prominent San Francisco candy manufacturer.

Mr. Edy plans to develop the ranch into a leading guest ranch and Lt. Bogart will be in charge. The ranch is known as the Thunderbird canyon ranch and is near Rancho Mirage and Johnny Earburton's Red Roof ranch. The sale was negotiated by John R. E. Chaffey of the Harold Hicks agency.

Lt. Bogart, who was on the staff of Admiral Rasdale, is now serving as aide to Secretary of the Navy Forrestal at the San Francisco conference. After the conference he plans to visit the Village to arrange for details at the new project. He was here briefly twice recently discussing plans for the purchase of the ranch.

still coming in by mail, she said. A 3 percent penalty is added for late payments, plus a 60-cent charge on each delinquent parcel.

Feelings Named Liaison Officer

Gordon Feelings, immediate past president of the Palm Springs Chamber of Commerce, has been appointed liaison officer between the local Chamber and the United States Chamber of Commerce.

He will handle all details of affairs between the local and national bodies.

Youth Authority Plans Survey Here

City council meeting Friday night received word from the California Youth Authority that the Division of Field Service of the group would make a survey

Torney Hospital Appreciative Of Cooperation

The Desert Sun:

As we celebrate Organization Day at Torney General Hospital it seems an appropriate time to extend to you and the members of The Desert Sun staff a formal expression of appreciation for your fine cooperation with—and support of the hospital during the last year.

Since the time Torney General Hospital was first activated on April 27, 1942, our entire association with The Desert Sun has been most pleasant.

With kind personal regards to you and your staff.

Yours sincerely,
FOR THE COMMANDING OFFICER:

C. M. PRINCE,
Lt. Col. MAC,
Executive Officer.

of conditions here starting May 7.

City Clerk Louise McCarn was notified that members of the field staff of the authority would contact her preliminary to the survey.

For Essential Transportation—U-Drive Cars. Phone 4444.

Application for Slum Clearance Project on File

Application for a slum-clearance project in Palm Springs as a postwar project has been filed, Robert Ransom, reporting for the recently created Public Housing Authority, told Mayor E. E. Theriault's Coordinating Council Friday.

It is planned to eliminate subnormal housing facilities and in their place erect 300 units.

He also reported on last week's conference with military authorities and said that full cooperation had been pledged the Chamber of Commerce by apartment house owners. Many of the places will remain open all summer for military and civilian personnel from local army installations and it was hoped that by fall, sufficient housing could be provided by public housing authorities here to handle the situation.

It was reported that there were 60 critical housing cases at the two army posts at present.

Fouch Purchases La Paz, Will Make Extensive Changes

James R. Fouch of Palm Springs has purchased the La Paz hotel and guest ranch which was built by Mrs. Jane Mooney and operated by William Heiser, now a lieutenant in the air forces and on his way overseas.

The La Paz is now under lease to the government and in use by officers of the air base as their headquarters. As soon as the government releases the property, Mr. Fouch plans extensive improvements and will operate it on the former exclusive basis.

The deal was handled for the sellers by Muriel E. Fulton and for the buyers by E. W. Dawson and Arthur Greenfield.

Assemblyman Phil Boyd Optimistic Over Tramway Bill Progress Despite Strong Lobby Staged by Sierra Club

Earl Coffman, chairman of the executive committee of the Chamber of Commerce was in receipt of a telegram this week from Assemblyman Philip L. Boyd in which the latter expressed his optimism for the success of the Tramway bill despite strong opposition by the Sierra club which has established a "lady lobbyist" at Sacramento and is seeking to block the bill.

On the other hand, evidence that the bill is supported by civic and travel organizations throughout the state continued to come in. Some of the statements, while crediting the Sierra club with playing a large part in preserving scenic spots as state and national parks, resented the effort of the group of 3500 to block access to recreational areas to the millions who would otherwise be able to enjoy them.

A letter from the Henry Kaiser Engineering firm asking data on the tramway, stating they were interested in constructing it, was also received. "This again proves," said Mr. Coffman, "that the tramway is entirely practical and would prove successful or the Kaiser company would not be interested."

Mr. Boyd's Tramway measure is now in the hands of the Ways and Means committee of the lower house. It had been given a "do pass" recommendation by the Governmental Efficiency committee earlier. A favorable report is also expected from the Ways and Means committee.

Sierra Madeans Plan Home Here

Mr. and Mrs. Earl C. Wilcox and family of Sierra Madre, Calif., are now the proud owners of property at Smoke Tree ranch.

Building plans are now under way with immediate construction when materials become available after the war, the objective.

S. S. Haan, noted Los Angeles attorney, is relaxing at Harlow Haven.

Local DeMolay Chapter Praised For Progress

With Master Councillor John Outcault presiding, Palm Springs chapter, Order of DeMolay, met Wednesday evening for routine transaction of business and to hear Arthur Windsor of Riverside, supervisor for the eighth southern California DeMolay district. Mr. Windsor was delighted with the progress made by the local chapter and predicted it would be among the state leaders. A gift of half of the \$1,000 bond won by the local Masonic club for its efforts in the Community Hospital drive from the club, was gratefully received and will be applied to furthering the work of the chapter.

Advisory council members present were Lloyd Simon, Bryson Amos, Arthur Greenfield, James Henderson, George Bell and Chester Hooper.

Mrs. Gwynn Jones Mother of Boy

A boy was born to Mrs. Gwynn Jones at Torney General Hospital Tuesday night, Mrs. E. Cary Boles, the proud grandmother, announced this week. Both mother and son are getting along in grand shape.

Mr. Jones, Yeoman 3/c, U. S. Navy, is now stationed at the Oakland airport. He will come down to see his new son as soon as possible.

Community Church To Hold Services Throughout Summer

Another indication that Palm Springs is becoming an all-year-around Village was seen in announcement today by Dr. J. R. Macartney, pastor of Community church, that services will be continued throughout the summer months.

"So many people, planning to be here the year around, have requested that we continue services without interruption, that we have decided not to discontinue for the summer months as in previous years," said Dr. Macartney.

St. Paul's Guild To Meet Tuesday

St. Paul's Guild of the Episcopal church will resume meetings Tuesday, May 1, after a brief rest, it was announced today.

Next Tuesday's meeting will be at the home of Mrs. Will Brown, 196 Morongo road, starting at 10 a. m.

Mrs. A. V. Linkletter will be hostess for the day.

Mothers' Day Plans Mapped

Mrs. William Veith has been named chairman of the Children's and Mothers' Day program to be presented May 12 at Community church, it was announced this week by Dr. J. R. Macartney, pastor. Mrs. John Williams is in charge of the presentation of flowers to the mothers present.

A group of young people will take over the morning service taking charge of the ushering, readings, prayers, sermon and music.

Notable Coast Clergyman Will Preach in City

Two outstanding Pacific coast clergymen will occupy the pulpit at Community church the next two Sundays, Dr. J. R. Macartney, pastor, announced today.

Next Sunday the Rev. Stewart S. MacLennan, D. D., former pastor of the Hollywood First Presbyterian church, will be the guest speaker at 11 a. m. He is known to many in Palm Springs and his pulpit message will be eagerly awaited.

On Sunday, May 6, another outstanding clergyman, the Rev. Jesse H. Baird, D. D., president of San Anselmo Theological Seminary, will be the preacher at the 11 a. m. service.

Holy Communion will be administered at the close of the May 6 service.

Annual Picnic of Church School Held

The annual Sunday School picnic of Community church, held last Saturday on the Desert Inn grounds, was a decided success it was reported this week.

There were games of every description and large tables spread with picnic lunches for the children.

All-Year Club Official Here

Bob Hughes of the All-Year Club was a Palm Springs visitor this week and spoke briefly at Monday's meeting of the Chamber of Commerce board.

He described the club's plans to revive the tourist trade at the first feasible moment and told of the budget set aside to publicize southern California and attract tourists here.

Mr. and Mrs. F. E. Brainard and the latter's mother, Mrs. Schlosser, of Little Tuscany, winter residents here, left Thursday for their home in Estes Park, Colorado.

While serving in the Navy, all business dictated to my account is credited to me.

Christian Science Text 'Probation After Death'

"Probation after Death" will be the subject of the Sunday Lesson-Sermon in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, The Golden Text is from the Psalms: "The Lord will perfect that which concerneth me: thy mercy, O Lord, endureth for ever."

Luke's Gospel relates that while two disciples journeyed to Emmaus, shortly after the crucifixion, "Jesus himself drew near, and went with them. . . . And . . . one of them, . . . said unto him, Art thou only a stranger in Jerusalem, and hast not known the things which are come to pass there in these days? . . . Concerning Jesus of Nazareth, . . . how the chief priests and our rulers . . . have crucified him. . . . And . . . as he sat at meat with them, he took bread, and blessed it, and brake, and gave to them. And their eyes were opened, and they knew him; and he vanished out of their sight."

Mary Baker Eddy writes in "Science and Health with Key to the Scriptures": "In the walk to Emmaus, Jesus was known to his friends by the words, which made their hearts burn within them, and by the breaking of bread. The divine Spirit, which identified Jesus through centuries ago, has spoken through the inspired Word and will speak through it in every age and clime."

SEVENTH DAY ADVENTISTS At Community Church Every Saturday. Sabbath School at 9:30 a. m. Morning service at 11:00 a. m.

Bible Class Aids Redlands Service

Victory Bible class of Community church went to Redlands last Sunday evening to conduct evangelistic services at one of the churches there.

Their regular meetings are held each Tuesday evening at 7:30 o'clock at the church. The class is composed of members of the military personnel stationed at the two army bases here.

Poosh 'Em Up Cabooch Gives Masons a Treat

Chester J. Gruber, of Van Nuys, "Poosh 'em Up" Tony Cabooch of radio fame, gave members of the Palm Springs Masonic club a half hour of hearty laughs when he addressed their monthly meeting Tuesday noon at the Desert Inn.

Representing himself as an ambassador from Brazil, enroute to San Francisco, he gave them a talk in broken English until at the end of his speech, some one asked him a question about Brazil.

"How in heck do I know, I've never been there," he answered in perfect English.

Masons agreed it was one of the best meetings in some time. During the progress of the meeting Gruber wrote the proceedings as they went on, in verse. This, too, provided a great laugh. President Lloyd Simon presided and there were more than 100 present.

Postwar Airport Plans Submitted

Copies of a resolution recently adopted by the Chamber of Commerce requesting the city to negotiate a lease on Section 12 and to study acquisition of lands in Section 7 and 13, all looking toward postwar activities in Palm Springs, were received by city council meeting Friday night.

The matter was referred to City Manager Ray M. Sorum.

Missionary Spirit And World Peace To be Discussed

The Rev. Robert M. Hogarth will preach Sunday morning at St. Paul's in the Desert on the "Missionary Spirit and World Peace."

"There seems to be no doubt that if World Peace depends upon a sympathetic understanding and cooperation between the peoples of the earth and the absence of social, racial and national prejudices, then the Missionary Spirit which works on a plane far above all human differences, is the greatest incentive and unifying influence towards world peace," Rev. Hogarth said.

The Vestry held a special meeting last Thursday to authorize the immediate purchase and installation of an 800 cubic foot cooler. "Hot summer weather should now have no terrors for members of the Episcopal church, if they go to church," Rev. Hogarth added.

Paul Summers to Head Local Scout Committee Again

Paul G. Summers will again head the Palm Springs district committee of the Boy Scouts as result of the annual election, and Harold Lienau will be vice-chairman.

Committeemen who will aid in operation of local Boy Scout activity during the coming year are Dr. Hartley Widdess, Gordon Youngs, Frank Doro, James Shea, Kenneth DuBose, Arthur Willis, John Chaffey, Cecil Isenagie, Phil Delano, Charles Mathews, Carl Lykken, Lt. Col. Willard Nielson, Major John Hookey, Herbert Mennell, Lloyd Simon, Major Gordon Winter, Dr. H. M. P. Behneman, Dr. J. W. Potter, Dr. F. A. Purcell, Norval Kelly, Florian Boyd, Reg Jones, Charles Burket, Dr. E. E. Oertel, Fred Ingram, all with specific committees. Members at large are F. F. Crocker, William Kidston, A. G. McManus, The Rev. C. N. Raley, H. L. Haas, Henry Wick, Dr. J. R. Macartney, the Rev. B. B. Weatherall, the Rev. Robert M. Hogarth and Frank Cutler. Lyle J. Sanard is Scoutmaster and Orest Johnson, Cubmaster.

No Action Taken On SBE Reports

City council took no action when notices were received from the state board of equalization that applications were on file for transfer of on-sale beer and wine licenses and on-sale liquor licenses from Frank Sabatella to Eddie Brandhorst at the new Pago Pago and from Thomas Lipps to Gershon and Scott of the Del Tahquitz.

Application for a license for night dancing from the new owners of the Del Tahquitz was also received and approved subject to the usual inspections.

Council also approved, subject to the usual inspections, application of the new Club Continental for a night dance permit.

James Clark, one of the real old-timers in Palm Springs and owner of Clark court, has recently returned to the Village from his home town, Prestonburg, Ky. Mr. Clark says he remembers the old coal oil lamp days here.

Ruth McCullah Takes Honors in Woman's Tourney

Miss Ruth McCullah of Riviera country club added a 75 Wednesday to the 71 she hung up Tuesday, for a total of 146 to win the tenth annual Palm Springs Women's golf tournament with a lead of seven strokes over Betty Jane Rucker of Spokane, who turned the O'Donnell Golf course in 76-77 for 153 and second place.

Third was, Mrs. Gregg Lifer, Riviera star who carded 78-79—157 in her come-back attempt.

LARGEST FIELD
It was one of the largest fields to compete for Palm Springs women's golf honors, 150 fair golfers swarming the fairways and greens.

Miss McCullah's 146 was only three strokes back of the sizzling 143 compiled by Babe Didrickson Zaharias last year in scoring a 11-stroke victory over her nearest competitor.

Mary Sargent of Colorado Springs and Mrs. Mary Stewart, Riviera, shared honors for fourth place with 159.

IN OTHER BRACKETS
The Class A flight (Palm Springs) (12 to 19 handicaps) was won by Audrey Finch of Arrowhead Springs who scored 87-81—168 and Class B (Desert) low gross honors went to Mrs. H. W. Blomquist of Oakland with 82-99—181.

Mrs. Thomas A. O'Donnell was tournament chairman, assisted by Mrs. John Hamrick, Mrs. B. F. Shearer, Mrs. Meta Graham and Miss Ruth Gammon.

Home Owners League to Join In C. C. Work

Affiliation of the Home Owners League with the Palm Springs Chamber of Commerce was voted Monday at a special meeting of the board of directors, the work of the two groups being so closely related.

Frank Cutler, chairman of the Home Owners League was present and outlined its aims and purposes.

Proposal for the affiliation was moved by Carl G. Lykken and carried.

NEW GYM—Breaking ground for the new gymnasium at Torney General Hospital, Pvt. Marvin Fain of Clovis, New Mexico, turns the first shovel of dirt. Left to right are Major F. J. Dreyfous, post engineer at Torney, 1st Lt. John Sutton, chief of physical reconditioning and Pvt. Fain, who was evacuated from Belgium after serving in Europe for eight months with the 513th Parachute Infantry of the 17th Airborne Division. (Official U. S. Army Photo.)

Ground Broken at Torney Hospital for New Gymnasium

Further expansion of Torney General Hospital got underway last week when ground was broken for the new gymnasium which is being erected just south of the Civilian Club on the athletic field.

Hospital officials have also announced that plans for the new post exchange building have been approved and construction is scheduled to begin soon.

On Monday members of the Women's Army Corps now stationed at Torney, moved into their new quarters which include air-cooled barracks with two squad rooms and quarters for non-commissioned officers, administration offices, day, orderly and supply rooms.

Village Schools Host to Parents At Receptions

Scores of parents and friends took advantage of open house events at Palm Springs high school and at the four schools of the Desert School district as Public School Week was observed here.

Programs and exhibits at all of the schools and a showing of work being done by students featured the events.

Open house at the high school was held last night with a large throng present.

Cathedral City school was host Monday, Cahuilla Tuesday, Frances Stevens Wednesday, and Nellie N. Coffman yesterday. Dr. E. E. Oertel, principal of the high school, was in charge there and Miss Katherine Finney and the various principals, at the grade schools.

El Centro Marine Corps Ball Team Takes Hot Battle

The 21st Ferrying Group softball team took on another service team Sunday in an exhibition game played at the Field club and lost to a fast El Centro Marine Corps club by a score of 15 to 13.

Sgt. Cartwright, pitcher who has an excellent record on the local diamond, gave out some walks and got into difficulty, as the Marine airmen took advantage of every opportunity. Cartwright allowed only seven hits. Winning pitcher was Llywelyn, who allowed only five hits to the 21st Group team, but also had poor control and issued several walks to the Palm Springs batters. The Ferrying Division crew got going in a hurry and counted seven runs in the first inning, but gave away late in the contest, as the El Centro team scored five times in the sixth inning and twice in the last inning. A strong wind hampered both hurlers.

The box score:

El Centro	AB	R	H
Adams, ss	4	2	2
Passero, 1ss	3	1	0
Ashcraft, 3b	4	1	1

Air Base Golf Team to Meet Santa Ana Team

A team golf match between men stationed at the 21st Ferrying Group air base in Palm Springs and men in uniform from the Santa Ana Redistribution Center will be waged at the O'Donnell golf course May 13.

Announcement of the match was made today by Lt. Louis Olshansky, physical training director of the air base. Play will begin at 10 o'clock. A return match will be played later in Santa Ana.

Members of the 21st Group team are Capt. Jack Anderson, amateur star of Bel Air course, Staff Sgt. John Oliver, who recently played in the Hope-Crossby exhibition match here, Capt. George Evans, Major Clinton Hardwicke, Capt. Maurice Conn and Ed Barker.

Noted Net Stars To Appear May 6 In Exhibitions

Official approval has been given by the United States Lawn Tennis Association for the presentation of an exhibition match in Palm Springs on Sunday, May 6, according to word received by Major William E. Hinton at the 21st Ferrying Group base of the Ferrying Division here.

The Army Air Base is sponsoring the sports show and will bring here a galaxy of tennis stars from the Pacific Coast courts for the show. Matches will be scheduled throughout the afternoon of May 6. The exhibition will be staged at the Tennis club beginning at 1 o'clock in the afternoon.

The names of tennis champions who will be seen in action have not yet been announced. Designation of which national stars now on the West Coast will be permitted to take part will be made by the association this week.

Proceeds of the exhibition will be turned over to the athletic and recreation fund of the air base to purchase athletic equipment for sporting events. The Army does not provide for this equipment now. Tickets to the matches will be available for Villagers next week.

Motion picture stars are also to appear at the exhibition, according to plans being made by the air base committee in charge.

Torney Baseball Nine Hangs One On Lions' Team

Torney General Hospital's Enlisted Men's softball team gave the Lions Club of Palm Springs a 16 to 4 pasting. In the first inning the TGH scored ten runs, Marvin starting the fireworks with a triple, Cadle, Holmer, Singerman and Klungsomith following with singles. Roulard drew a walk, Meyers singled, Mead tripled, Andrews walked and Leslie finished the scoring with a home run. In all, ten men were up and ten runs crossed the plate before the first out. The Lions conceded the game after four innings was played.

Moseley, playing right field for the Lions Club, hit a home run with two men on to account for three of the teams four runs. Meyers was the hitting star of the game with a home run, double and a single in three trips to the plate.

Mechanics Top Softball League By Taking Pair

League play in the Army Air Base softball league continues in full swing, with the eight teams of the circuit playing round-robin contests. Section C Mechanics of the 21st Ferrying Group are rolling ahead fast, winning games last Tuesday night and again Tuesday this week.

Play on Tuesday night saw four of the Ferrying Division clubs in action under the floodlights at the Field Club. Section C took an easy 12-to-1 win from the hapless Section A crew. Baugher was the winning pitcher and his catcher was Nizwancowski. The losing battery for Section A was Donovan-to-Bilotta.

The 21st Ferrying Officers got into the winning column by trimming the Section D Supply & Service team 5 to 3. Winning battery, was Capt. Evans-to-Major Hinton. Losing pitcher was Rossi and his catcher was Grant-am.

Last week-end, Section C toppled the strong team representing the Palm Springs Lions Club by a count of 8 to 1. Baugher was again the best man on the pitching hill. The Lions Club battery was Gaiet-to-Goyam. The Torney Officers team tangled with the hospital enlisted men in the other game of the past week-end.

Pay your telephone bill before the 30th and receive a discount.

Former Village Couple Operate Live-Bait Boat

Don and Dorothy Patterson, formerly of Palm Springs and engaged in the cleaning business here, this week started their new live bait boat, the Louise, operating from Scott's Landing at Newport Beach at 1101 Coast Highway. Art Clark, veteran commercial fisherman, is skipper of The Louise.

The Louise, one of the best-known sport-fishing craft on the coast, has been completely revamped with a nice galley and lots of deck space. One of the features is a sunken bait tank located astern.

While in Palm Springs the Pattersons conducted a furniture and rug cleaning business at 651 Calle Palo Fierro.

Commander of ATC Promoted

Announcement has been made by the 21st Ferrying Group commanding officer, Lt. Col. Robert J. Goewey, of the promotion of Major General Harold L. George, commanding general of Air Transport Command, to lieutenant general. A recent visitor of Palm Springs, General George made an inspection of the Ferrying Division base here about a month ago. He has directed the world-wide operations of ATC.

Memorial Fund to Be Raised in Fall By Legionnaires

Plans for the proposed World Wars Memorial to be erected here by Owen E. Coffman Post, American Legion, were outlined Friday before members of Mayor E. E. Theriault's Coordinating Council by Commander Gordon Feeckings, who also reported that as result of the recent rodeo, \$1200 had been added to the building fund.

Commander Feeckings reported that the Legion planned a drive for the World Wars Memorial fund in fall, having postponed its proposal to assist the Community Hospital Red Cross and Chamber of Commerce campaigns this spring.

Fishing Season Opens May 1; Fish And Game Commission Estimates Around 205,000 Will Fish for Trout in Season

On the basis of the trend of the past few years, the California State Fish and Game Association estimates that some 440,000 persons will purchase angling licenses in California during the season which starts May 1, in a letter to the Palm Springs Fish and Game Association stated. It is estimated that around 205,000 of these will fish for trout and they will be joined by members of the Armed Forces and a host of boys and girls under 18 of whom no license is required.

"Early in the season," the letter continues, "the catches will depend on climatic conditions, high or low water, muddy or clear water, warm or cold weather."

"A great majority of the fish caught will be steel heads. In the upper portions of some of the coastal streams non-migratory rainbows will be taken. Southern California anglers will catch many of the aged rainbows which have been distributed to nearly every sizeable stream throughout the winter and spring by the Bureau of Fish Conservation of the Division of Fish and Game."

"On the east slope of the Sierras a number of anglers will exercise their piscatorial skill in the Truckee river, Lake Tahoe or Donner Lake. In the Truckee river they will catch some large rainbows and brown trout along with some tasty Rocky Mountain white fish. Rainbows will predominate in the catches in Lake Tahoe and Donner Lake."

Ferrying Group Plans to Observe 4th Anniversary

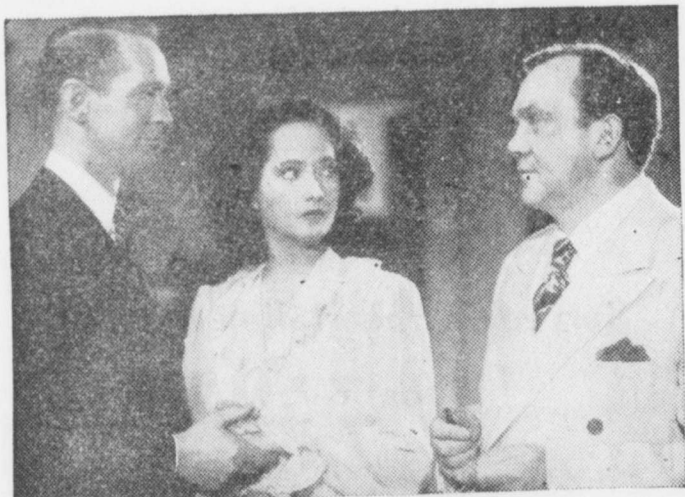

Plans are under way, according to Lt. George Holtorf, public relations officer at the 21st Ferrying Group, ATC, army air base, for the fourth anniversary celebration of the activation of that installation here, on May 27.

A swimming exhibition by Johnny Weismuller is on the program and other events are being arranged.

Lt. Holtorf, recently added to Mayor E. E. Theriault's coordinating council, reported on plans for the event at a meeting of that group Friday.

Sailor: "Going my way, baby?"

She: "Sir, in front of the library is no place to accost a girl who lives at 215 Hotel Street, Circle 90412."

AT THE PLAZA—Franchot Tone, Merle Oberon and Thomas Mitchell are costarred in the startling, eerie film from the Saturday Evening Post serial, "Dark Waters," at the Plaza Theater, Sunday through Tuesday.

ACTION—There's plenty of action and romance in Rod Cameron's latest picture, "Beyond The Pecos," with Eddie Dew, Fuzzy Knight and Jennifer Holt, at the Palm Springs Theater, Saturday only.

Directors Named At Gathering of Community Chest

Annual meeting of the Palm Springs Community Chest, Inc., was held late yesterday at the Frances S. Stevens school and the first board of directors for the recently incorporated non-profit group, formed to handle war chest campaigns and other charitable drives, was elected.

On the board are Ernest Alschuler, Arthur E. Bailey, William A. Colburn, Frank W. Cutler, William D. Dean, Gordon Feekings, Mrs. Harold Hicks, Fred Ingram, Mrs. William A. Lippman, Carl G. Lykken, Charles Mathews, Robert Ransom.

The total board will number 19 members and the other seven will be appointed by the seven organizations which the Chest will aid.

Meeting of the new board will be held next week at which time officers for the incorporation will be elected.

Former Villager, Tom Kieley, Now Wears Double Bars

Farigal T. (Tom) Kieley, former manager of Lykken's store here, and son-in-law of Earl Coffman of the Desert Inn, is now a captain. Word of his promotion was announced by Brig. Gen. Bob E. Nowland at the Air Transport Command in Cincinnati. Captain Kieley is assistant quartermaster at Ferrying Division headquarters there.

Captain Kieley entered the army in the fall of 1942. His wife, the former Betty Coffman, is with him in Cincinnati.

He is the son of Mrs. Ethel Kieley of Grafton, North Dakota and a graduate of the University of North Dakota. A brother, Donald, is with the Navy in the south Pacific.

Boy Arrives For Amos Home

Lindsay David Amos arrived on the scene Tuesday and is a great kid.

Take his dad's word for it. The dad is Bryson Amos of the Bank of America staff and prominent in Masonic affairs.

The boy was born to Mrs. Amos at St. Bernardine hospital in San Bernardino where he and his mother are in fine shape and eager to come home.

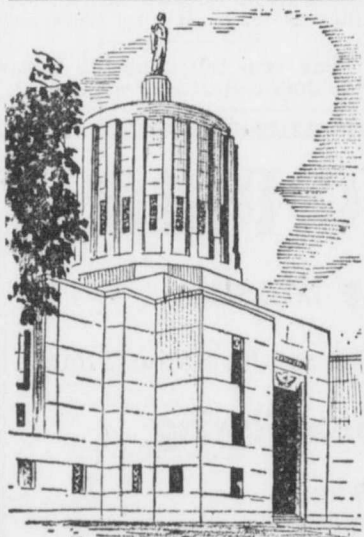

EXCITING—Edward Arnold in "Main Street After Dark," to be shown Thursday and Friday at the Palm Springs Theater.

Each month Army reclamation men in the United States handle an average of 277,976 pairs of trousers.

"Every time I kiss you it makes me a better man."
"Well, you don't have to try to get to Heaven in one night."

Bonds Over America

OREGON CAPITOL

Oregon's capitol at Salem is now one of the fine structures which Americans buy War Bonds to protect. It's new and beautiful; one of the nation's prized possessions. It is worth buying a great many War Bonds to provide planes and material for our fighting men to use in its defense. Oregon City and Corvallis were capitals of the territory for brief periods but Salem became the permanent capital when Congress provided funds for the erection of territory capitol buildings there and the U. S. Treasury refused to provide the funds for construction anywhere else. Fire destroyed the first capitol and also another in 1935.

U. S. Treasury Department

"I Rise to Remark"

By CONGRESSMAN JOHN PHILLIPS

The death of Mr. Roosevelt is still too near, and the shock still too great, for anything like a considered analysis of its effects, here or abroad. To say the death was unexpected would be wrong, as it would be to say it was expected. There have been surmises for a long time that all was not well with the President's health. The Presidency is a killing job; the man who accepts it in these times may well give his life to it, literally. Eight years have been too much for some; Mr. Roosevelt served twelve under unequalled world and domestic conditions.

The death occurred at 4:35 Thursday, Washington time. At that moment I was on the Senate floor, listening to the argument on the Water Trade Agreement. The Vice-President was presiding. He smiles and laughs a great deal. Some Senator from an apple-raising district had evidently sent an apple to his desk, and Mr. Truman laughed and sent it down to Senator Magnuson, whose birthday it was. There was no thought of the tragedy which was then taking place.

The Senate adjourned; I came back to my office, and Mr. Truman started to go to Speaker Rayburn's office for a conference. He was caught on the way with a message to get to the White House as quickly as possible. Mr. Ernest Ganahl of Anaheim was waiting to see me and we talked until nearly six. A few minutes after leaving the office, he hurried back to say that the elevator operator had picked up the report of the President's death. Unquestionably the public announcement had been delayed until Mrs. Roosevelt had time to phone or wire the children. At 7:09 that evening the United States had a new President.

Yesterday was the day of the funeral services in Washington. They were solemn and impressive, yet very simple. The body did not "lie in state," as other President's bodies have lain on the dais described in a recent

column. Today, Sunday, the body is being interred at Hyde Park. The services in Washington were in the East Room of the White House, which can hold only about 200 people. 15 members of each House represented the Congress. Anthony Eden flew from London. The representatives of other countries, and the cabinet officers were there, in addition to members of the immediate family.

Next week I shall try to give you some impressions of the probable changes which will result from this change of Presidents. I have already written them down, as "first reactions." We shall see, as the weeks go by, how accurate they prove to be.

What impressed you the most, among the immediate after-effects of Mr. Roosevelt's death? To me it was the resiliency of this country. At six o'clock Thursday, the entire nation was shocked by the death of the man in whose hands, more than any other, the threads of control of the war and the plans for peace, had been placed. You could expect all sorts of reactions. Yet a new President stepped into the vacated place, in stride. There was no thought anywhere that the death would in any way adversely affect the war. The comments on the peace plans were largely about changes which would be necessary. The stock market, a barometer of public sentiment, was unaffected, with only normal changes. The strength of the country was emphasized in every reaction. To me it was as significant as anything in my lifetime.

Several newspaper writers here have called attention to words of Mr. Roosevelt at the beginning of the war: "The state of this nation is good; the heart of this nation is sound; the spirit of this nation is strong; the faith of this nation is eternal."

This could well be Mr. Roosevelt's epitaph. The reactions of his death demonstrated its truth.

Letters to the Editor

Editor of The Desert Sun: Acting on the assumption that newspaper editors stand open to the breezes as it were and must take—or at least read—all comers—I am writing this letter. I have been a resident of Palm Springs for nearly two years now. I have a son in school here. I have a husband in a hospital in the south Pacific—after serving in the invasion of Leyte.

The rest of the ménage consists of three dogs and two horses. While out on one of those horses this morning, I had an encounter that leaves even me wondering if it could have happened. Yet beyond a possible doubt, it did. Half-way from Ramon Road to the Araby stables I was cantering easily along when around the bend ahead of me appeared two riders. Instantly at sight of my horse, the horse with the woman astride it—shied—reared and threw her.

As anyone would, I reined my horse in—only to find myself confronted by the type of man my husband and his many brothers-in-arms are fighting. He cut loose on a woman he had never seen, with a mouthful of profanity that would make Ernest Hemingway's or John Steinbeck's best efforts to portray the other side of life look pale by comparison. Did he dismount to give assistance to the woman who had fallen—did he go after his horse? But No—his main concern was to bully someone—preferably me. He knew I didn't know him—and one look would show him I wouldn't fight with his weapons.

When, however, I did not turn tale and flee from his unbridled wrath, he rode off in pursuit of his horse which was peacefully grazing not too far away. The woman who was his companion was looking after her injuries as best she could alone. At her request—given with the explanation that his conduct was explained by his worry over his horse—I rode on.

Before I did so, however—his request to her bawled back from the safety of the sage-brush was "Get that xxxxx out of here." Nice work—dandy country for us women to send our husbands off to protect. There is showing at the Plaza Theater right now a short entitled "It Happened in Springfield"—very sound piece of work. Any thinking person knows it is not an exaggeration. This is simply another manifestation of the same type of reasoning—that force and hatred can and must rule the world.

It can't—it never will. But suppose that instead of myself, an older woman with that knowledge secure in my heart, that had been your daughter—anybody's daughter—the young wife of some of the Army men stationed here. Who could blame them for thinking that the many sacrifices they were making weren't worth it—if such things could happen without any provocation in a peaceful community like this? Thus it is that more hate is born. Let us not carry tolerance to a point that permits such things to happen to the most innocent of bystanders.

Thank you,
Barbara B. Austin.

Individuality is the salt of common life. You may have to live in a crowd, but you do not have to live like it, nor subsist on its food.—Henry Van Dyke.

Torney Hospital Chaplain is Speaker

Col. Pearson, chaplain at Torney General Hospital in Palm Springs, addressed the regular meeting of the Banning Kiwanis Club Friday noon in that city. He spoke on chaplains in the army.

About one-fourth of the chaplains in the United States Army are Catholic. The others are Protestant and Jewish. To be eligible to become a chaplain a man must hold an A. B. and a theological degree and have three years training in parish work.

In this war chaplains in this country are equipped with a Hammond organ, divided pulpit, the national colors and a chapel or Jewish flag. Overseas there are several forms of equipment for chaplains. There is one chaplain to each 1000 to 1200 men. Overseas some chaplains conduct 20 to 30 services on Saturday or Sunday.

Chaplain Pearson said he wished to spike the erroneous report that returning servicemen have changed so much that they must be "handled with gloves." They are changed, he declared, just as any young man even in civilian life, changes during this period. They are coming back, Chaplain Pearson said, with a better attack on the problems confronting them than any men in the United States at any time except possibly following the Civil War.

"Women Will Speak" reads a newspaper headline. Since when was that news?

KEEP CATHEDRAL CITY CLEAN AND BEAUTIFUL

Some weeks ago an article in this space was devoted to "dodder," the parasitic vine that kills so many of our desert shrubs. At present it is in bloom and will soon develop new seed to spread further infection. This weed is conspicuous by its orange coloring when it is active. A sample for your identification is displayed at the Cathedral Grocery Store. Also you will find a government pamphlet on its eradication at the Cathedral library.

All of the Cathedral City area and the desert toward the foothills is spotted with dodder and it is not an exaggeration to say that the killed and damaged shrubs run into the thousands. Toward the open desert this weed is less prevalent and from this one would assume that it is approaching from the south or canyon side.

The spread of dodder has made progress during the past five years. Previous to that time it was seldom seen. Some people believe that this is a temporary condition and will correct itself. In the meantime the desert is blackened and dodder is moving into an ever larger fan of destruction.

It is interesting to observe that the area in Eagle Canyon is not infected, nor is the territory between there and Palm Springs. The vicinity of Rancho Mirage is badly damaged.

If you want to see dodder in action, drive or walk 300 feet beyond the arch and you can observe the tracks of dodder across the highway. On the south side a Smoke tree has been killed and just across on the north side the fresh growth of orange dodder has spread all over a large desert shrub.

You can help to eradicate this weed by checking your own property and the bordering streets and destroying it now.

CIVIC IMPROVEMENT ASSOCIATION,
Cathedral City.

Cathedral City

James W. and Tommie Randall celebrated their 27th wedding day last Sunday at the Desert Lodge where they are staying for a short vacation from his job as superintendent of mails in Los Angeles. The next day was Jim Wolseth's birthday and as P. R. Ritchie, father of Mrs. Wolseth was to leave to rejoin Mrs. Ritchie, they really put on a party that will be long remembered.

Paul W. Clark, who with associates, recently purchased the Sunhaven Court, arrived this week to take over the management of the apartments. Mrs. Clark who many of us know, will make her permanent home here in the fall.

Four new voters have been added to our roster this past week and I believe are eligible to vote in the school election, which will be on May 18 in Palm Springs. Others have signed their intention to register and if they will do so within the week, their affidavits will be added to the great register immediately.

It has been my intention to interview Cecil Isenagie who manages the Tanner bus service between our village and Palm Springs. I hope enough patronage has developed to make our claim to the R. R. Commission good, that we would patronize the service if given us. Other developments are so near for our community that it would be too bad to lose this service through lack of passengers.

For Cathedral City there should be interest in the list of road improvements scheduled for Riverside county. The death curves just east of us are on the schedule. When the time comes for the speed highway to be built and a bridge constructed to cross the wash on our north-east boundary the bridge should be so constructed that except at times of flood it would serve as an underpass for rancher traffic all the way from Rancho Mirage and Del Sol to reach Palm Springs. Plans should now be formulated for future development of our local highways from where 111 turns off of 99 to as far as Point Happy. North and south, as well as down the valley. Attend the Chamber of Commerce meeting in Town Hall Tuesday night. Everyone in the community is welcome. Hear the plans for forming the fire district and probably Dr. McRory, the county health officer, will give us some timely information.

Mention has been made before of the excellence of the Desert Legionnaire and this last issue brings the war home to us again with the fine cuts of Leonard Bryant and of Herb Lienau. Herb wasn't known so well by our villagers, but Leonard can never be forgotten by those who knew him. My hope is that if we can get a recreation field in Cathedral City, that some sort of memorial will be erected or planted there that will keep the names of Albert Reaume and Leonard ever before us.

George B. Hibbard and Doris Abbott Hibbard who are owners of extensive holdings in Laguna Beach and in Riverside, have recently purchased the Snyder cottage on the corner of Grove and Glenn. We welcome the Hibbards and hope they will thoroughly enjoy the time spent on the desert.

Monday night, Cathedral City

Villagers Almost \$10,000 Ahead of Red Cross Quota

With the 1945 American Red Cross Fund campaign officially at an end, figures released by A. L. Long, county fund chairman, reveal that the Village went far over its quota in subscribing to the Red Cross war effort.

Quota for Palm Springs was set at \$26,910. Total fund raised here was \$35,566.26, the amount going up more than \$100 in the past week.

Carl Haymond was chairman of the successful campaign in Palm Springs.

Rivalry Rears Its Ugly Head For Our Village

Palm Springs is going to have a rival—and not so far away, as the crow flies.

Doris Fulton this week sent The Desert Sun a copy of a recent issue of the San Diego Union on page two of which was spread an eight-column panorama picture of Borego Valley, in San Diego county, and a long story about planned developments there for a resort community "to rival Palm Springs".

Mr. and Mrs. A. A. Bernard, Jr., owners of vast acreage in the Borego desert, plan, so the article set forth, to reclaim 20,000 acres of Borego desert land and to turn it into a resort paradise.

The Bernards' claim it is cooler in summer and warmer in winter than Palm Springs.

But—when it was described as a potential Palm Springs, at least, the Village keeps the name.

MUSEUM NOTES

(By T. A. D. COCKERELL)

The Palm Springs Desert Museum will close its season on May 6. Until then the Museum will be open every day, including Sundays, from 10 a. m. to 5 p. m., and every evening. Visitors are invited to come these warm evenings and enjoy our motion pictures, when requests for pictures will be cheerfully granted, except on Wednesday and Saturday evenings when prepared programs are presented.

The program for Saturday evening, April 28, has for its subject, "Mutual Help in Nature". Prof. Cockerell will give a talk illustrated with the motion pictures: "Ants as Farmers," "Guests of the Flowers," "The Bumble Bee," and "The Honey Bee". The programs for Wednesday evening, May 2, has for its subject, "Life Zones". Prof. Cockerell will give a talk illustrated with the motion pictures, "Yosemite National Park," "The Canadian Rockies," "Getting Our Goat," and "Glacier National Park".

In the Museum may be seen a map of the world, arranged by Mrs. Hale, showing by small labels where some of our Palm Springs trees come from. This has interested many people.

Orchids do not grow on the desert, but a dozen species exist in Southern California, and may be found in our mountains. Recently Lieut. M. B. Irvine brought in the beautiful Epipactis gigantea, found in Andreas Canyon. It is exhibited in the Museum. Favored by moisture and shade this plant can grow very close to the edge of the desert. It is one of the terrestrial orchids, growing in the ground like other plants. The fine greenhouse orchids from the tropics grow on trees, and one said to be Epiphytes, which is only a Greek way of saying the same thing. The Epipactis was discovered and named by David Douglas, the explorer for plants who came over from Scotland more than a century ago, and made great contributions to the botany of North America.

elementary school celebrated as the other schools observed the National School Week. It was not a routine affair, Mrs. Cable principal and her assistant had prepared a very good program and the fine thing about it was the enthusiasm of the children and parents who filled the school room so full that many had to stand. Supt. Finchey, board members Outcault and Crocker Nurse Kury, playfield directors, Miss Adams and Mrs. George, head of the Parent-Teachers association were in attendance.

Rev. and Mrs. John Abels have been out of the village for several days but I am going to let them tell the mission when they return.

Pay your telephone bill before the 30th and receive a discount.

Get Acquainted With Your Village Businessman

Today is displayed the other half of the Hatchett market combination—Elmo "Moe" Purnel. Last week his partner, Hutch Moseley, was in this corner.

Moe Purnel is a native son. He was born up in the northern end of the state March 25, 1911 and the first job for which he collected money was as a kid janitor in a little school house. Practically all of the rest of his labors have been in the market business, first with his family and later on his own. He and his brother Clarence, came here in December, 1938, and purchased the little market then on the site of the present store, Arenas road and Indian avenue. They rapidly expanded the store until it reached its present complete market proportions.

Around the first of the year brother Clarence sold out to Herschel Moseley and Moe and Hutch, long acquainted in Los Compadres club ranks, now own and operate the spot.

Purnel succeeded Moseley as president of the Los Compadres club, one of the most active organizations in the Village. He is also a Lion and will be a director of that club next year. With brother Clarence he owns a Dude ranch in the Sierras just this side of Bishop where many Villagers go for their summer fishing.

Around the house, wife Anne and daughter, Elanne, 13, are bosses. Mrs. Purnel also aids in the store. Doc Waughop, who himself goes western all of the time, took the above picture of Elmo Purnel in cowboy outfit.

Villagers Attend Torney Hospital's Anniversary Event

Visitors attending the Torney General Hospital open house which celebrated the third anniversary of the activation of the hospital, Friday, enjoyed an interesting tour of the hospital gardens, swimming pool, laboratory, physical and occupational therapy clinics, the mess and an orthopedic ward, with enlisted men of the hospital detachment serving as guides.

From one until three o'clock Army busses traveled between the Chamber of Commerce and the hospital taking visitors to the administration gate where they were met by a member of the Public Relations Staff and assigned to guides who were thoroughly familiar with the hospital.

Following the tour, guests returned to the garden north of the administration building where the 21st Ferrying Group Band played from two until four o'clock.

At 4:30 men and women of the hospital detachments assembled for retreat ceremonies when Purple Heart decorations were presented to Private Donald V. Ammons, CE, Staff Sergeant Eldon Bowers, Infantry, Private Raymond Renes, Infantry, Private First Class Frank J. Ezell, Infantry with Oak Leaf Cluster to Purple Heart to Private First Class Everett I. Almeida, Infantry.

Don Pasnau Starts Classes at Torney

Don Pasnau, dancing master, who has come to Palm Springs from the Waldorf Astoria in New York and who recently opened a new studio of the dance at the Desert Inn, is also conducting regular Tuesday night classes at Torney General Hospital.

He will teach not only Latin American Rhythms which he brought to the States from Havana, Rio de Janeiro, and Buenos Aires, but all popular types. Mr. Pasnau, teaching with the famous Evelyn Hubbell of Irene and Vernon Castle fame, has conducted the finest classes for children in New York city.

Trouble to Follow If Curbs Painted

Don't try to change the kind of parking zone now in existence before your place of business. It may be costly.

Councilman Clarence Hyde introduced an amendment to the city traffic laws which provides penalties for any who paint the curb before their establishment a different color than provided for in the ordinance.

For Essential Transportation—Yellow Cabs. Phone 4444.

CAP Cadet Group Organized Here By School Youths

Sponsored by the Palm Springs Squadron of the Civil Air Patrol, a CAP Cadet squad has been organized at Palm Springs high school with many already enrolled and many boys and girls ready to join. Preflight training will be given as part of the school curriculum to members.

Ed. Stephens, commander of the Palm Springs squadron, addressed the students Tuesday and again Wednesday, showing a picture, "Winning Wings" and giving a talk on the aims of the CAP.

Eligible male students will have the privilege of attending a two-week camp at Minter Field during the summer where they will sample army air corps life. Mr. Stephens said that because of the added interest shown in the southland, headquarters of the California Wing of the CAP and army liaison officers are now stationed at Santa Ana instead of San Francisco. National headquarters of the Civil Air Patrol are at Fort Worth, Texas.

The commander announced that Morris B. Sachs of Chicago had donated \$100 toward the CAP cadet organization here and that Mr. and Mrs. A. G. McManus had donated the use of the office building at 311 South Palm Canyon drive as recruiting headquarters and office of the CAP Squadron.

Soon We'll Get Data on How Hot We've Been Here

A new recording thermometer is on its way to replace the present police station instrument which now refuses to register the maximum. This week's maximum readings were taken at noon and are not absolutely accurate.

Date	Max.	Min.
April 19	81	35
April 20	96	57
April 21	92	56
April 22	82	57
April 23	90	55
April 24	84	57
April 25	86	56

Mrs. Rose McQuillin and Mrs. Ida Williams of Long Beach, are guests this week of Mr. and Mrs. P. M. Swart.

The consciousness of good intentions is the greatest solace in misfortune.—Civero.

state senator from Pennsylvania, and Joseph Dent of the Industrial Accounting Division of the Westinghouse Electric Company at Pittsburgh.

Funeral services and interment will be at Jeanette, Pa.

Jail Term Echo To Jewel Theft

Lillian Becker, Santa Monica woman, must serve six months in county jail as a condition of five years probation granted her Monday in Judge O. K. Morton's superior court at Riverside.

Mrs. Becker was arrested in Palm Springs in connection with the disappearance of jewelry valued at \$1,000 from a local hotel. She was formally charged with appropriating lost property to her own use.

Revised Plumbing Code Introduced

A revised amendment to the city plumbing code was introduced Wednesday at city council meeting by Councilman Maurice McCann.

The measure amends Ordinance No. 30 by permitting 3-inch soil pipes in dwellings where there is but one bathroom and one kitchen.

NOW IS THE TIME TO BUY YOUR HOME FOR NEXT SEASON

PERHAPS ONE OF THESE IS JUST THE HOME FOR YOU

PRACTICAL HOME

Three bedrooms, one bathroom with tub and stall shower. Frame and stucco, steel sash, cement floors. Near school. FURNISHED. \$14,000.

Tennis Team Wins Hemet Meet With Five Out of Six

"Winning the practice meet at Hemet high school, April 23, the Indian tennis team, again took top honors," Miss Vash Hronis, P.S.H.S. tennis coach announced.

Participants in the singles class, John Outcalt, Larry Emerzian, Don McLearn and Don Williams, were victorious, as were Joe Brummit and Loren Rude, doubles. Larry Emerzian and John Outcalt, in the doubles match, took the only P.S. S. defeat of the day. Each team was two out of three sets, and the Indians won five out of six.

Following the meet, swimming was enjoyed by the players.

"A great deal of credit is deserved by the six Indian representatives," Miss Hronis said, "as they are the finest group I have ever had the privilege of coaching."

Dictated, But Not Read—That's Today's Paper

In honor of their tiring and dying effort, we salute them, the tree mosquitoes; the editor who can't even spell the word, the assistant editor, who is beyond all assistance, and the feature editor, called in polite society, the school tool. For them lie the task of turning out the paper this week as Miss Gaylord once again went into hibernation. All misspelled words are attributed to the editor, all assisting errors to her assistant and all complaints are issued to Delano. For it was Delano who did the typing. Hunt and peck with his toes.

Indians Cop Title But Drop Closing Game to Coachella

Coachella's Arabs reversed the procedure when they took a 4-1 decision over the Indians last Thursday in the season's wind-up contest. Although the Arabs went hitless, nine Indian errors and slow thinking on the field allowed Coachella men unnecessary passports to base. Nevertheless, the Indians took the league pennant hands down, mainly through the fire of "Duke" Devers, one of the best softball moundsmen ever to see action in this league.

The Indian's sole tally came when Devers walked and was thrown out on Covington's choice of Outcalt's grounder. Peterson's single sent Outcalt to second and Jurado brought him home.

Important Items On Council Agenda Handled in Week

Meeting in room eight first period, Thursday, the Student Council was brought to order by Student Body President Bob Lienau.

Commissioner of Athletics Joe Brummit moved and the council passed that requirements for track letters be the same as last year, with the exception that the total be changed from 20 points to an average of 6 per meet.

Petronilla Mutascio reported that the consensus of student opinion on the proposed youth center is that it be provided immediately, while the need is greatest, and that it be built up by the students themselves, with donations from Villagers who are interested in the young people of the community.

Commissioner of Publicity Lila Lee Lilley read the letter sent to City Manager Ray Sorum on behalf of the students, thanking them for making Student Government Day the most interesting in which P.S.H.S. has ever participated.

The handbooks which are being prepared for new students next year were discussed. A school calendar will be included, to make such events as a P.S. H.S. sponsored Junior High Field Day, Freshman Initiation, Sadie Hawkins Day, Western Day, and a Christmas Dance, tradition.

Names were added to the honor roll which will be given by the Class of '45 to be unveiled at the Memorial services on May 18.

\$45.58 Collected For Blind Fund

Collected last week following the assembly program by the blind xylophonist, Pierce Knox, has \$45.58 to be used by the school for the blind at Palo Alto, California, to enable the handicapped men and women to take their places in the world. The money collected will go for providing books in braille, and for teaching the students to read them.

Seniors Attend Riverside Parley

Today, members of the P.S.H.S. Senior class are attending the annual Senior Conference at Riverside Junior College, with Mrs. Kathryn Martin, faculty advisor. The group met with other Seniors from Riverside county for consulting, informal discussion, luncheon on the campus quadrangle, visiting the different departments at the Junior College, and dancing in the gym. Transportation was provided by the Palm Springs high school district.

Civil Air Patrol Film Exhibited

"Winning Your Wings" with Jimmy Stewart, produced by the U. S. Army Air Corps and dedicated to the young men of America, was shown to students in a special assembly, Tuesday, by Edwin Stevens, local representative of the Civil Air Patrol.

Mr. Stevens preceded the showing of the film with an informal talk on the aims and activities of the group. Accompanying him was Mrs. H. M. F. Behneman, also an active member of the Civil Air Patrol.

Four Schools Will Send Netters Here For Tournament

Tennis players from Coachella, Beaumont, Banning and Palm Springs will meet at P.S.H.S. Saturday morning, April 28, at 8:30, for the annual tennis tournament, Miss Vash Hronis, faculty adviser, announced.

Following the opening session, participants will leave for their assigned courts. The Desert Inn, Torney General Hospital, Tennis Club, and high school courts will be used.

Each school will have four teams of both boys' and girls' singles and two teams of both boys' and girls' doubles in the meet.

Representing P.S.H.S., not in order of ability, are Larry Emerzian, John Outcalt, Don McLearn and Don Williams, in the boys' division. Diane Heller, DeLore Roth, Babs Neel and Marge Reigeman will compete with the visitors' girls. The participants will play one set.

Because of war-time shortages, trophies will not be awarded. Luncheon will be served at the P.S.H.S. cafeteria at noon, charge of Trudy Sawyer and Cecile Morris.

May We Introduce

By MORT AND BOB

GIRL OF THE WEEK

Our bright-and-shining-light for this week is a Junior girl of no little note.

She was born in Santa Monica, on October 17, 1928 (in the same room Shirley Temple was born in—but, what does that make her?).

She's tall (5'6"), blonde, with green eyes and a figure that is noteworthy.

Favorites are June Allison and Dana Andrews, ice cream, blue and any other color that will harmonize with it. The songs Candy and Laura, Tommy Dorsey's band, and Dinah Shore's singing also rates tops.

She's seen most often with Burket, Hogg, and Barbara Dadds.

She's notorious for her piano playing and constant giggling. Her "Pet Peeve" is Egotistical People.

Her love-life adds up to one great, big, handsome "Chuck" St. George.

The last clue tells all, when you hear "Tee-hee C. J." you just naturally know they're after Clara Jane Lyter.

BOY OF THE WEEK

This week we take great pleasure in introducing a prominent member of the male section of the mighty (?) Junior class. This future Senior centers a large part of his school activities around sports, of which football is his favorite. He has made a varsity letter in football twice, basketball, twice, and softball, three times. Next year you unfortunately who must return to our beloved institution will at least have the opportunity to see this fella starring in all sports.

His favorite color is blue, and he enjoys a hamburger at the Malt Shop every once in a while.

Favorite actors include Cary Grant and Lana Turner. Although he has very few dislikes, he admits that there is one that particularly irks him, however this cannot pass the Smoke Signals' Hays office.

Our "Boy of the Week" loves to read a good book in his spare time.

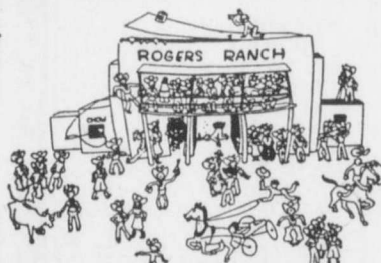

His special pals are Frank Devers and all of the football squad.

Without further ado, we shall introduce our victim. He's known to us all as a swell fella. His name? Art Jurado!

On Prop List Of Senior Play

Earthworms, doughnuts, a miracle reducer, parsnips, a razor, and about fifty other varied articles, edible and otherwise, are being rounded up by Miss Mary Louise Gaylord, director, and Edie Greer, prop manager, for the Senior play, "Spring Green" to be presented May 4 at the Plaza Theater.

Although the hand props are the more numerous, close attention is being paid to furniture and decorations required for the plot. Featured is a wheel chair, complete with hand-rake, which was obtained from the Palm Springs Health Clinic. Details such as change of potted plants must be attended to, to indicate passage of several weeks in the play.

Written by Florence Ryerson and Colin Clements, "Spring Green" is a comedy in three acts. The cast of characters includes seven girls and eight boys from the Senior class.

Tickets are on sale at \$1.25 for the reserved section and \$80, general, and may be obtained from student ticket sellers Pat Flett, Lane Archer, Billy San-deffer, Paul Mashburn, Joyce Maloof, and Carol Bruket.

GAZOOZIT

Talk about "Lay those pistols down, Babe," this week-end really started with a bang and ended the same way. My spies from all points north report a swell swimming party out Gloria Dimond's way. Gloria moved the phonograph out near the pool and the kids rotated between swimming, eating, and dancing. Peterson kept insisting on using the dressing room while others had the same idea. Some one should crown Julie Martineau the "Ariel Queen". She dove off the roof while the timid souls looked on with horror.

All the "land lubbers" retired to the show to spend two hilarious hours laughing at Jack Carson and Rosalind Russell's antics.

The old town was considerably quiet all day Saturday. I wonder if it could be because most of the Seniors and a few Juniors tore out to San Bernardino and L. A., shopping for Baccalaureate clothes. But Saturday night—Ah, we don't talk about that! The Dunes was the scene of no-torious gaiety. We wonder if Cecil ever got that letter written to her one and only Raoul Prieto? Those who could stand retired to Trudy's house for a slumber (?) party! Dart's pool afforded a swell background for a moonlight swim for a party of six.

New couples over the week-end were: Emigh and Klug, Peterson and Hooke, McKinney and Barbara Croft. The couple who called it all of was Hann and Betty Ann. Trudy and Bob are on the beam again, thank goodness!

Don McKinney really got around what with three different dates over the week-end. Mary Ann G. and Jeanette O. were seen at the Junior high with L. Rude and W. Moore. Was it suppose to be a secret, and what was Loren putting about?

What's this about Maizie seeking someone's shoulder to cry on, and who was the lucky boy? We assure you it wasn't McKinney.

Where the desert sands gleam white, in the jeweled, starlight night, we saw Delores Vallier, Bob Vallier, two girls from Redlands, Harvey and McKinney (who seems to have a priority on this week's copy!) for a little picnic and some snazzy dancing.

It seems Flavin and Betty Ann had a little mix-up. Flavin thought he had a date with her, but he didn't, Dick Doro did.

J. O. was a little less than sensational as a male Veronica Lake at play practice Sunday night.

Moseley cracked three ribs trying to save our fair Village from destruction by fire.

You can always tell when there are "furniners" in town. They clutter up the streets, and wouldn't stop for pedestrians if they had too. This time it was some of the Banning high kids down to get a tan under our desert sun—

K. K. (whatever that stands for) and party spent Saturday swimming and chasing the fire trucks, but all being "tender feet," they will never again attempt said activity without the benefit of shoes. K.K. turned up with a zoot '32 Ford and the name on the door stands for Jean Kay.

It's too bad that Dick Doro can't keep his big mouth shut. Say, Dick, it's smart to keep secrets to yourself so you'll know more than the other fella.

With this I remain "the little girl who wasn't there," your humble and faithful (also truthful) servant.

Syria, Topic of Assembly Talk

Saleem M. Thomas, a native of Syria, gave an educational assembly for students during fifth period, Monday, April 23.

Mr. Thomas discussed agriculture, manufacturing, customs, religion, schools, marriage, and other phases of his homeland, which is one of the oldest countries in existence. Especially interesting to the group was a demonstration of the prayers and chants used by the Syrians, and spoken in Arabic. The speaker also used the blackboard to illustrate the method of writing Arabic letters and numbers, from right to left.

Following his talk, Mr. Thomas answered questions put to him by the assembly.

Serviceman of Week

The sailor boy we are talking about this week happens to be Bob Fern. He was born September 25, 1927, in Long Beach, Palm Springs has been his alma mater since his Sophomore year. He went in the Navy in January of '45. For three months he was occupied with boot training in San Diego.

A few months ago he was home on leave to see all his old pals.

Since he has gone back to his base, no one has heard from him, so write to us soon, Bob Fern!

Erica Orth's Poem Accepted by Magazine

"Song of a Desert Stream," written by Erica Orth, has been accepted by the National Anthology of High School Poetry of 1945 for publication, was the announcement made this week by Mrs. Kathryn Martin, head of the English department.

Annual Prom Will Be Held on May 11

Announced Tuesday afternoon at fifth period was the date for the coming Junior-Senior Prom, scheduled to be given May 11 at the Desert Inn at 8:00 o'clock.

All Juniors and Seniors were asked to report to Carol Bruket if they are coming with dates, stag, or not at all, so that reservations may be made as early as possible.

Mr. and Mrs. D. B. Carlin are spending two weeks at their cottage on Palm Canyon drive. Mr. Carlin is secretary-treasurer for the Cardinal Oil company of Long Beach.

"Daisy's Day" Literary Gem

"Daisy's Day" or "How to become a high school secretary in ten easy lessons" is the latest work of creative writing to issue forth from the stately portals of P.S.H.S.

Author of this piece of literature is Mrs. Marian "Daisy" Kellar, guide, philosopher, and friend of all whom she comes in contact with as reigning queen of the office.

Her essay, written at the request of her fellow-author, Mrs. Kathryn Martin, describes a typical day in her life as recorder of grades on grubby report cards, listener-to-complaints-and-excuses, pencil provider (for a slight fee), and soother of the students' chronic complaint, "Daisy, how come I've got a make-up, Daisy, huh, Daisy?"

As her autobiography draws to a close, the reader sees her being fitted for a brand new, pre-war straight-jacket of the latest vogue.

Guest of Mrs. James Clark of Harlow Haven is Mrs. L. B. McClure of Minneapolis, Minn.

Railroad Noises

An editorial from the San Jose, California, "Evening News".
(San Jose is on the main line of Southern Pacific's Coast Line)

WE HAVE always resented those snooty expressions, "across the tracks" or "down by the tracks," with their implication that there was something disreputable and socially low-life about living near railroad tracks. After living many years a block from the Espee's rails, we rise to say that there are many worse places to live.

Living close to the railroad has its obvious advantages when you are a boy. Where is there a more romantic place than the right of way, with wheezing switch engines, puffing freights (which travel so much faster now than they used to) and speeding passenger trains? Morning, noon and night railroad-ing holds attraction for a boy, which is why so many of them go into it, finding a romance which never dulls until they die.

"But how can you stand the noise?" someone asks.

Far from being bothered by the noises, you get so you find them soothing and conducive to repose. You get so you can tell the freight trains from the passengers, and you distinguish the touch on the whistle rope of that individualistic engineman who makes his blasts so short, sharp and distinctive.

The various whistle notes represent to you these giant creatures of fire and steel talking to one another over long distances and on winter nights, when the wind is blowing and the rain is pelting against the windows it is pleasant to think of engineer and fireman, snug in their cab with the fire roaring below them, shunting lines of cars up and down the glistening wet tracks.

If these night noises from the tracks are comfortable and appealing to you during peace they have

even more of these qualities during war. You realize that both the wars in which we are engaged are transportation wars and must be won not only in the foxholes and work-shops but on the railroads as well. Some of the particularly long trains you hear puffing and snorting these nights are troop trains and others are weighed down with war's materiel. It is comfortable to reflect what a great job the railroadmen are doing, driving their trains and switching their cars 24 hours a day, even while you are asleep.

Back a few years, when trucks and buses started to cut more and more deeply into railroad revenues, with the airplane as an additional competitor just ahead, as a boy living near the tracks you may have wondered a little worriedly if they would put your old friends, the freights and passengers, out of business. It took the war to show that a nation's need of railroads continues, that no nation can be great and strong without them. You are reassured by that, and by the articles and drawings that have been published of vastly improved equipment which will help the railroads get their share of traffic after the war. Such things mean your friends will be able to stay alive and that, drowsily safe and comfortable, you will continue to hear the trains chugging and puffing through the night.

We thank the San Jose News for so beautifully putting into words the way we railroaders, and many other people, feel about trains.

S.P. The friendly Southern Pacific

With the Boys in the Service

GETS WINGS—Richard D. Heise, Palm Springs high graduate, who won his wings at Napier Field, Ala., last week. (U. S. Army Photo.)

Richard D. Heise Completes Pilot Class, Wins Wings

Richard Dean Heise, graduate of Palm Springs high and a well known Village youth, received the silver wings of an army air force pilot August 15 at Napier Field, Alabama, and was sworn in as a flight officer, according to word received here this week.

An advanced single engine pilot school is operated at Napier Field by the AAF Training Command.

While at Palm Springs high he was prominent in all departments of school activities and was a leading member of the high school "Smoke Signals" staff.

His parents, Mr. and Mrs. Paul Heise, reside at Bellflower, Cal.

21st FERRYING GROUP FACTS

A new addition to the Post Exchange at the 21st Group base of the Ferrying Division was opened last week-end with a dance given for enlisted men and women. Name of the addition is "Outside Inn". A large patio was constructed on the west end of the exchange building. No roof was built on the addition and personnel is able to sit at tables under the sky. Foliage was planted and a cement space serves as a dance floor for special entertainments given for enlisted personnel. A group of lady Marines from the El Centro base came to Palm Springs for the occasion, as guests of the WACS stationed here.

1st Lt. Jack M. Stewart of St. Louis, Mo., has been assigned to the 21st Group as ground safety officer and has taken up duties here. A campaign is being opened on the base to further reduce the number of accidents by preventing unsafe operations. Lt. Stewart is surveying the field with a view to suggested changes in operations that will provide greater safety.

A reception was held at the Officers Club on the base last Sunday afternoon, honoring Capt. and Mrs. Joseph H. Wooddell, following their marriage at the post chapel. Mrs. Wooddell is formerly 1st Lt. Chris Yeager. The captain and Mrs. Wooddell are both assigned to duty on the air base.

Enlisted personnel of the base will attend a "hay ride" party on Saturday, May 5. The Personnel Services section of the air field will take 35 couples on a barbecue party.

Members of the Non-Commissioned Officers Club board are holding meetings and making plans to obtain furniture and necessary equipment for an NCO club that is to be opened for the 21st Group in the near future. There has been no club for NCOs in the past and an urgent need is seen. The building which has been allocated to the club by the commanding officer, Lt. Col. Robert J. Goewey, is the structure previously occupied by the band section. Interior decorating work will be done and furnishings must be provided.

Capt. Joseph W. Caraway, assistant executive officer of the 21st Group, has returned to duty here, after completion of a

course in tactical air intelligence at Orlando, Fla.

A variety performance was staged for enlisted men and women of the base Sunday night at the post gymnasium by "Hank" Ladd's Hollywood Capers. Ladd, who has done several shows overseas with Bert Wheeler, presented a review entertainment which was seen by a large crowd.

The flag of the Ferrying Division base in Palm Springs continues to fly at half-mast in memory to the late President Roosevelt. Other military observances for Mr. Roosevelt are not being followed because of the emergency.

The 21st Group will furnish a speaker for the dinner meeting of the Banning Lions club on May 1. A pilot now stationed here who previously made aerial missions for ATC over the Himalaya mountains between India and China will make the talk at Banning.

The air base will have men and women participating in a nation-wide Soldier Show Script contest that is being sponsored by the Army Services Forces. The Ninth Service Command has announced the contest to AAF personnel of the 21st Group and cash prizes will be sought by those competing.

Work of beautifying the midway section running through the center of the air base is going forward under direction of the post engineer, Major Vincent A. Carson. Request has been made of Palm Springs residents to donate any plants and shrubs they can spare to the base for planting along the midway walk. A number of tamarisk tree sprouts have been planted so far and contributions of plants are being received to further this beautification program.

All military personnel of the base saw another full-length orientation film entitled "Defeat and Victory" at the post gym on Monday night. The picture, which is part of the orientation series of motion pictures, was also shown Tuesday afternoon.

Pay your telephone bill before the 30th and receive a discount.

RECOVERING—Pvt. H. D. Martinez, USMC, Village youth recuperating in San Diego Naval hospital. (U. S. Navy Photo.)

Villager, Wounded At Iwo, Resling In Naval Hospital

Pvt. Hector D. Martinez, 24, United States Marine Corps, another Villager to receive battle scars, is now at the Naval Hospital at San Diego convalescing from wounds received in the fighting on Iwo Jima.

He was wounded in both legs by enemy shell fragments on the fourth day of the battle.

He was a machine gunner with the Fifth Marine division.

Villager Meets His Brother on Western Front

In a remarkable series of coincidences on the western front in Europe, three sets of brothers met by accident in two days in the Seventh Armored division.

Among the three sets was one involving Palm Springs.

Second Lieutenant Howard W. Watson of Chicago, was surprised when his brother, Captain James B. Watson of Palm Springs, dropped in on him for a visit. Capt. Watson is liaison officer with an infantry division. The brothers had met twice before on the continent.

Torney Tantrums Shown at Air Base

The popular Army show, "Torney Tantrums of 1945," which has made a big hit with patients of the General Hospital here and those Palm Springs people who have seen it, was given before the personnel of the 21st Ferrying Group at the Army Air Field Wednesday night.

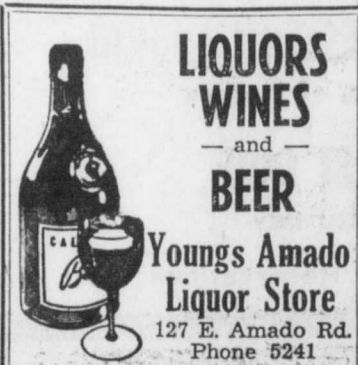

Torney extended the entertainment gesture to the Air Base and a good crowd saw the production. The performance was put on in the post gym and included a full variety program with music, gags, and a chorus line.

San Francisco Conference Topic For Global Gab

"The San Francisco Conference" was the subject of discussion at the week's meeting of the Global Gab discussion organization on Tuesday evening. Personnel of the 21st Ferrying Group air base and residents of the Village participated in the meeting, which was scheduled for the Chamber of Commerce office.

Sgt. William Kelly of Torney General Hospital, which also takes part in the group's meetings, outlined the subjects to be covered at San Francisco.

Dates and subjects chosen for subsequent meetings are as follows: May 1, "Is the Program of Cradle to Work Against Individual Liberty?" Cpl. Irving Schweiger; May 8, "Are Modern Painters Artists?" Mrs. Leah Nolan; May 15, "Progressive Education," Miss Thyra Cohen.

Jimmy Cooper to Start Training For Duty at Sea

Jimmy Cooper, well known Villager, secretary of Los Compadres club and active in affairs of that organization for several years, plans to go on to the high seas. He has enlisted in the Merchant Marine and will leave next Monday for Los Angeles. Tuesday he will be sworn in and report for active duty.

He will receive his training at Catalina Island.

Raymond E. Sorum Home on Furlough From Sub Duties

Raymond E. Sorum, son of City Manager and Mrs. Ray M. Sorum, arrived home on furlough Sunday evening and expects to be in the Village until early in May. He has been on submarine duty in both the Atlantic and Pacific. His ship, after months in the Pacific, has been in the Atlantic for the past few weeks and he came home from the sub base in Connecticut.

He enlisted in November, 1942, and is now quartermaster 2/c in the submarine corps. This is his first visit to Palm Springs since October, 1943, a year and a half.

He saw his first snow while standing watch in the North Atlantic and in a letter home, wrote: "The snow made even the old sub look beautiful."

The Sorums have another son in the Navy, Donald. He enlisted January 5, his 18th birthday, and is now at Gulfport, Miss., in the quartermaster's corps.

Sgt. Prieto Now On West Front

Sgt. Roaul R. Prieto, son of Mr. and Mrs. Tony Prieto of East Arenas Road, is now in at an advanced base.

He will soon be transferred to a permanent station from which American planes are covering the advance in Germany.

Prior to entering the army air forces he was a student at Palm Springs high.

Another Village Youth Overseas

Word has just been received by Mr. and Mrs. Herman Levine, well-known Villagers and owners of the Caliente Cottages, that their son, Harold Levine, is now overseas.

A tail gunner in the AAF, he is now in England, he wrote his parents.

He added that since leaving the United States he has been promoted to the rank of sergeant.

For Essential Transportation—U-Drive Cars. Phone 4444.

TORNEY GENERAL HOSPITAL EVENTS

News of the Enlisted Men of the Medical and Quartermaster Detachments at Torney Army General Hospital, Palm Springs

By PFC. TED W. ENGSTROM

KAY KYSER SHOW MAY 2

Twelve Torneyites will "star" in the famed Kay Kyser Kollege of Musical Knowledge network radio show playing here at Torney on next Wednesday evening, May 2. There will be two performances directed by the old professor himself, a matinee at 2:30 and the broadcast show at 7:00. The two shows will be identical except that six different persons, patients and members of the command, will appear in the two performances.

Out of a group of 24 applicants, Kyser will select twelve to appear with him in his quiz program. Kyser asks that three of these be patients, two enlisted members of the detachment and one Wac. The twelve will be selected Wednesday before the 2:30 show.

The entire "faculty" will be here for the shows, including comedian Ish Kabibble, Tully Mason, Georgia Carroll, the Town Criers and the fine Kyser band. Special Services announces that tickets of admission will be printed for the two shows.

TANTRUMS SHOW

"The Torney Tantrums of '45," popular local production which took this Post by storm in two showings last week, played to a full house at the local Army Air Base, the 21st Ferrying Group, last evening. Some of the show was rewritten, slanted to be aimed at the Air Base.

Sgt. Herb Vigran, producer and director of "The Torney Tantrums" has hopes of taking the show to play at other places, with the possibility of a showing in Palm Springs for the local citizenry.

COOKS' BAKERS SCHOOL

The first group of enlisted men to graduate as cooks and bakers here received their diplomas recently following and intensive course for the last two months. Graduation ceremonies included a dinner and entertainment featuring Mr. Stratton, Redlands magician.

Graduates were S/Sgt. William J. Moore, T/4 Marius Jensen,

Ordnance Troops Solve Ammunition Shortage

Army Ordnance troops are helping to solve the ammunition shortage in Germany by repairing, testing and distributing captured Nazi guns, howitzers, mortars and ammunition to American combat units, Ninth Service Command headquarters, at Fort Douglas, Utah, was informed today.

T/5 Henry Sierras, Joseph Williams; Ferman Caboltera, Ray Stevens; Pfc. John Russell, George DeNike, Wilbourne Wilson, Charles Woble, Alvin Hammond and Pvt. Charles Wilson, Herman Cook, Edgar Reed and Cecil Yeagain.

EM PROMOTIONS

Sixty-three enlisted men of this installation were promoted in grade last week, the announcement being made by Battalion Commander Maj. Samuel Levin, at the battalion inspection on last Saturday morning.

Pay your telephone bill before the 30th and receive a discount.

Interesting Letter Received From Germany by Cathedral City Man From Officer Well Known in This District

W. R. Hillery of Cathedral City this week received a highly interesting letter from Lt. Col. Charles J. Perry who served under General Patton when the latter was at Camp Young. With other officers mentioned in his letters, he was a frequent visitor in Cathedral City and Palm Springs and is known to many here. The letter follows:

Germany,
10 April, 1945.

Dear Bill: Just got your fine letter, it was like a ray of good old desert sunshine. You can't imagine how much of a morale booster a letter can be. I got my wish at last and I am enjoying every minute of it—only this is the real thing. I'm well fed, happy and disgustingly healthy for an old coot.

Germany is rather a pretty country. In some respects it reminds one of parts of California. Not southern California of course. In other respects it reminds you of something a dust devil had just hit. I had an opportunity to see Aachen, Jülich, Düren and other towns that have made front page news stories and from what I saw the probability of a World War III isn't very great.

LEARNING NOW

These people are beginning to learn that world conquest is something that must be done through peaceful channels, if at all. Then I visited the Saar area. I took time out to toast your continued health with good Moselle wine—in Cologne I sipped a bit of Rhine wine to your health—I am thinking about you at least. Have promised myself that I will get a flag back to you, they are not too plentiful, but I'll keep trying.

I hear from Mae regularly (Mrs. Perry), and she keeps me informed of the doings or lack thereof in San Luis Obispo. She also included the Cathedral City column clipped from The Desert Sun each week. The Pinch Hitter is doing a good job, but truth-

fully Bill, I miss that weekly chat with you. Of course it was one sided.

MEETS OLD PALS

Had an opportunity to visit with my old gang, the Corps I was with in the desert. They were in the Saar push and did a fine job. Your ears should have burned—Doc Norall, Red Kelly, Col. Cullen, Chelovsky and the rest all want to be remembered to you and Mrs. H. Doc is a Major now, and as part as a two-dollar pup. Haven't run into any of the Desert Rats in the Army who are now under but they are everywhere and every now and then one scurries from the bushes.

As you may have noticed, I'm having one heck of a time trying to get this Kraut typewriter to speak English. Military government picked it up for my office on requisition. It's a good machine but just hasn't been naturalized yet.

Best of luck to you and the folks in Cathedral City. Kindest regards to the family. I'll be seeing you one of these days.

As usual,

Charlie.

Two Cars Stolen Here During Week

John Holditch, manager of the Palm Springs Water company, reported the theft of his automobile from its parking place before a local cafe where he was dining last week-end.

Edwin Small, motion picture producer, reported his car stolen from in front of the hotel where he was staying, Sunday.

The universal does not attract us until housed in an individual.—Emerson.

Portrait of the Week

By BERNARD of Hollywood

Gertrude "Gusie" Moran, comely brunet queen of the tennis racket, has played tennis ever since she was 12 years of age. . . . and has shown such form (tennis, in this case) that she will play in the net nationals this year. . . . is studying now with Bill Tilden. . . . Her fancy runs to Mexican music and dancing. . . . but don't crowd, boys, she has made a bet that she will not marry until she is 27. . . . and she's stubborn enough to win that bet. . . . so it'll be a while before she's eligible for the march up the aisle.

Gifts of Beads To Aid in Vital Work Requested

Beads, any amount, any kind, are wanted by the Arts and Skills department of the Palm Springs branch of the Red Cross. These beads are used in rehabilitation work among convalescent soldiers and Mrs. Regina Cooke, chairman of the Arts and Skills committee asked that donations be left at local Red Cross headquarters, 107 North Palm Canyon drive.

"The need is urgent," she said in asking all Villagers who can help to do so. Any person who can help with the work among the convalescent soldiers in this respect, is also urged to contact headquarters.

Many Notables at Rendezvous Cafe

The Rendezvous was host this week to many celebrities of the entertainment world with its guests numbering song writer Lew Pollack, Mr. and Mrs. Nat Pendleton, Dick Haynes and wife, Charley Barnett and Hoagy Carmichael and Paul Lukas with a party of twelve.

\$75 Fine Imposed For Drunk Driving

Inman L. Todd, Ramon Trailer Park, was fined \$75 in Judge Guy Pinney's court Monday on a charge of driving while under the influence of liquor.

He was arrested by Sgt. Orest Johnson, Sunday at 11:30 p. m. on Palm Canyon drive near Ramon road.

Police Rescue Hiker, 85, From Mountain Side

Wasn't there a Dr. Osler or some such name, who once said a man was worthless after 40?

He should see S. P. Adams. Mrs. Adams is 85 and Wednesday night disproved that statement. He went for a hike and climbed the mountain side back of the Ed Stephens home. He ignored trails and just went straight up over rocks and brush.

Only trouble was, he couldn't get down again.

Since he had left home for the hike at 11:15 a. m., and it was growing dusk, his daughter, Mrs. A. L. Bolin, 355 West Arenas, became much alarmed and called police.

Chief August Kettmann and Sgt. Orest Johnson took up the search and at 7 p. m., found the elderly man stranded on the hillside. They brought him down and he is safe at home today, uninjured and none the worse for his experience. He and his wife live with Mrs. Bolin.

"The Palm Springs sunshine certainly puts energy into people," said Chief Kettmann. "You should see the rough terrain Mr. Adams negotiated unaided. I'm not so worried about old age now, since I'm in Palm Springs."

No Protest Made On License Sale

Transfer of the liquor licenses at the Zanzibar cafe, East Arenas road, from George Strebe to Karl E. Kurtz and A. Bolenbach who recently purchased the popular night spot, was not protested by city council Wednesday on receipt of notice of application for such action from the state board of equalization.

Tom Luke will again manage the cafe.

George Strebe, who is now in the navy and at San Diego, will move his family to La Jolla.

Capt. and Mrs. Clark Visitors in Village

Captain and Mrs. John Porter Clark, former well known Villagers, were guests of Albert Frey, Mr. Clark's partner in the firm of Clark and Frey, architects, last week-end.

Capt. Clark has been post engineer at the army air field at Merced but was recently transferred to Hobbs, New Mexico. They stopped here enroute to his new post.

Williams: "Halt! Who goes there?"

Voice: "Cook, with doughnuts."

Williams: "Pass, cook. Halt doughnuts."

Late to bed and early to rise Makes a man saggy Draggly and baggy Under the eyes.

Lions Club Names Lloyd Simon Head For Coming Season

Lloyd Simon was elected president; James Shea, first vice-president; John DeVine, second vice-president; Ted Reed, third vice-president; Frank Partridge, treasurer; Joe Allard, Lion tamer; Bill Veith, secretary; Lee Kolbach, treasurer; Ted Martell and Elmo Purnell, directors when Palm Springs Lions staged their annual election yesterday at their weekly meeting at the Desert Inn.

Installation of officers will take place next Thursday evening at a dinner dance at the Desert Inn. Lt. Anthony Noce, in charge of the prisoner of war compound attorney, addressed the club, reciting articles of the Geneva convention and explaining the handling of prisoners of war.

He spoke on treatment accorded prisoners and recited clauses of the Geneva compact clarifying the issue.

Leo Baker was chairman for the day and President Charles Burket presided.

Change in City's Health Measure Is Recommended

A five-point report involving radical changes in the city health laws was presented city council Wednesday by Armand Turonnet, chairman of the council's health and sanitation committee.

The committee recommended that all food handlers in the city undergo periodical physical examinations by physicians, that sanitation regulations in places handling food be strictly enforced, that an investigation be made as to garbage disposal at homes where there is no service by the city waste disposal department, that cooler tanks be drained to prevent mosquitoes and other pests and that a registered physician be employed as health officer on a part time basis and an inspector to see that health measures are enforced, on a full time basis.

"It is time we took action on this," Mr. Turonnet said. "The army is planning its own investigation and places which do not conform to health standards will be declared out of bounds. That's something no one wants to see happen."

MORE ABOUT . . .

Fire Losses . . .

making a survey this week for a full and complete report of the situation and recommendations on installing better water facilities on the reservation.

TWO GRASS FIRES

Two grass fires Monday kept firemen busy. One, at 1:30 p. m. on South Tahquitz on property owned by A. G. McManus, started when a burning trash pile got away from Philip Niva, in charge. Fireman Heath, who investigated, said it was the third fire which had gotten away from Niva. The blaze was subdued in five minutes.

At 3:40 p. m., Monday, a grass fire at Calle Roca and Calle Palo Fierro, also took five minutes to subdue. Fire Chief Leoncio said there was evidence to support the belief that this last fire had been deliberately set and is investigating.

NUMBERS 5 AND 6

Fifth fire of the week came at 12:15 a. m., yesterday when the department was called to Avenida de Los Palms where the automobile belonging to Pvt. Lindstrom, first name not obtained, was gutted by a blaze. Damage was estimated at \$250.

Sixth fire called out the department at 8:35 a. m., yesterday to the house owned by J. L. Jones, 350 East Amado. The blaze was in an apartment occupied by Mary B. Otts.

So far this month, there have been 15 fires, breaking the department's record by three.

CERTIFICATE OF BUSINESS FICTITIOUS FIRM NAME

The undersigned do hereby certify that they are conducting a general restaurant business at 693-695 South Palm Canyon Drive, City of Palm Springs, County of Riverside, State of California, under the fictitious firm name of CLUB CONTINENTAL and that said firm is composed of the following persons whose names and places of residence are as follows, to-wit:

Mobile X-Ray Coming May 17

Mrs. Madge Holderman announced today that an X-Ray unit, sent here by the County Tuberculosis association, would be at the Health Center May 17 from 10 a. m. to 4:30 p. m., to take chest pictures.

All who wish to avail themselves of this opportunity for an examination are urged to contact Miss Holderman, public health nurse, at 2202, for an appointment.

Plans for Early Hospital Action Started by Boyd

Florian Boyd, chairman of the Palm Springs Community Hospital association has been in conference with City Manager Ray Soren, discussing breaking thru of the road to the hospital site, donated by Mr. and Mrs. John W. Williams and also in regard to assistance in leveling the ground.

He reported to Mayor E. E. Theriault's Coordinating committee at its last meeting that the total hospital fund now stood at \$192,000 and that the remaining \$8000 toward the \$200,000 goal was believed to be in sight.

School Planned At Hot Springs

Plans for a school to be started at Desert Hot Springs next year, were discussed at the Saturday meeting of the Desert Hot Springs improvement association by Katherine Finney, district superintendent and principal of the Palm Springs elementary school. Cabot Yerba, president.

The school is to provide for the first eight grades, and there will be either one or two teachers. It may be that the association's hall will be put into condition for school use, temporarily.

"You are never complimentary, why did you call me an angel?"

"Because you are always up in the air, you are continually harping on something, and you never have a thing to wear."

Youth, Just Free From Jail, Nabbed On Assault Charge

Richard Brown Arenas, 17, is in custody of the United States court, Los Angeles, awaiting hearing on charge of attempted robbery growing out of the attack last week on Pvt. Allen Moyah of Torney who was beaten by two men in an attempted robbery.

Chief of Police August G. Kettmann picked up Arenas two days after the attempted hold-up and as the alleged crime was committed on the reservation, the youth was turned over to U. S. Commissioner Alba McGuire at Riverside.

Chief Kettmann said that Arenas had admitted the attack but disclaimed any intention of robbery. The chief added that Arenas has just been released from Benecia jail where he had served time for assault and battery.

He's Smart, Friendly But Has Bad Cough

If you see a smart Fox Terrier, a friendly little animal, but with a bad cough, notify the police.
